of thei

tration of public business.

"BUT ALL taxpaying citizens have the right to be as well informed about what goes on at these meetings as if they were the responsibility of keeping the public informed about what we, its elected officials, are doing and the way nees.

eas.

"There must be no censorship f school news, city news or any ther activities of vital interest to the public which it supports by axes—until our nation becomes make state.

taxes—until our nation becomes a public state.

"Anything discussed in a board meeting of public officials automatically becomes public information and is eligible to be published as such, regardless of the touchiness of individual board members.

whenever the public of the private businesses of the private businesses of the private businesses and the private businesses. Public officials deserve publicity on every action they take in the private progration. Public officials, in rendering public service, have no private and even secrecy in their operations. Public officials, in rendering public service, have no right to secrecy, and even less right to server, and the private public service, the private private businessemen are using their own money to advance their own private programments of the public of the public

interests of the public.

"PUBLIC OFFICIALS are, at best, employees and servants. The cities are their boss, sayers, the public, are their boss, sayers, the public official saris, outside of the compensation.

"Whatever the public officials are expensed to the public.

"While we have been complishes, belongs to the public. officials are public's prerogative to know what we have the public officials are public's prerogative to know what we are doing—either for it or to it. Unless the public can see, it it. The press is the public's prerogative to know what we are doing—either for it or to it. Unless the public sayers is the public servent, or its advance that the public servent, or its advance that the public servent of the public servent, or public duty, published, he should seek employment in some private business that is not public.

public.

"AS LONG AS I am a member of the Birmingham city commission, or any other public hody, and the standard of the standa
