**BARNUM JUNIOR HIGH NEWS**

On Dec. 20, the Birmingham High School Choir directed by Victor Ulrich, visited the school to give its annual Christmas Concert. Their members were purple robes with white collars. There are ninety-one members in the group. Before the choir sang for the students' bodies they gave a short concert on the radio.

For the student body the choir sang "The Christmas Hymn," "Jesus Tender Babe," and "The Innkeeper's Carol." Then a girls' ensemble sang "Once in Royal David's City." The group then sang "Joseph's Carol" with David Campbell as soloist followed by "Winter Wonderland," "Carol of the Bells" and "Down the Chimney."

**THERE WAS A Service Squad** meeting Friday, Jan. 4, in room 209 at 11 a.m.

Purpose of this session was to introduce George Miller as the new faculty advisor. There was a discussion about letting seventh graders join the squad and it was decided that there would be a meeting soon in which seventh graders could join. Elizabeth Leiland became a soloist followed by "Winter Wonderland," "Carol of the Bells" and "Down the Chimney."

The Youth Council is compiling a calendar of events for the schools and churches.

The New Activities are dramatics for 7th and 8th grade girls directed by Mrs. Berrien Ketchum. Purpose of the organization is to help the girls in voice, change of expression, and character. The co-leaders are Mrs. A. K. Toepfer and Miss Margaret Schrot.

**THE BARNUM DRAMATICS** Club for seventh and eighth grade girls, directed by Mrs. Berrien Ketchum. Purpose of the organization is to help the girls in voice, change of expression, and character. The co-leaders are Mrs. A. K. Toepfer and Miss Margaret Schrot.

The club meets every Wednesday from 3 to 4:30. They are learning the different parts of a stage, and they are studying how a stage was arranged in the days of Shakespeare, compared with the way it is done today. Mrs. Ketchum is giving all the girls a chance to work with marionettes and to read scripts.

The group is planning a trip to the Village Players Theater, and intend to put on a play for the Barnum students soon.

**Birmingham Hi-Society**

By CAROL HOGSHEAD

The much-welcomed Christmas vacation ended all too soon and 730, Birmingham students have been sitting inside the four walls of their various classrooms for over a week now.

With the prospect of moving into the new high school soon, excitement has settled over the entire students body. Much planning on the part of Student Congress has been and is being done for the move Jan. 26. Two spring dates are under discussion, and the election of officers to head Congress during the new venture is being planned.

**EYES WILL POP** in amazement at the many wonderful features of the new building. Green-glass chalk boards, almost entirely glassed-in library, roomy storage space, soft colors, broad corridors, etc., will be made available.

Many happy boys and girls celebrated the fact that school was to be over after a week at the new building. The semi-formal dance at Oakland Hills country club.

Club mostly in soft formal and dark suits about 40 couples from the high school danced to the music of the new band until an hour after Cinderella's bedtime.

**A DINNER PARTY** at the home of Nancy Lewis preceded the dance for many.

One of the best party of the season was held in Pusan, Korea. The crew on the U. S. S. Manchester took 100 dirty, hungry Korean orphans aboard and shared Christmas dinner with them.

One can only imagine the delight and gratefulness in the hearts of the destitute children as they hungrily ate the bountiful meal set before them.

Turkey and spiced ham, olives, peas, corn, sweet potatoes, mashed potatoes, mince pie, pumpkin pie, and ice cream soon disappeared.

A tour of the ship completed the day.

Seaman First-Class wrote concerning the event, "For a war-torn country it was rather dirty, but you can't expect much more. All we can do is to hope that this thing will be over soon, so they can have peace and we can go home."

Tri-A's Match-Me-Hop was one of the best attended dances of the season.

Decorating the walls were snapshots of the school's past. The heads belonged to Martha Brown, Woody Dore, Janet Weber, Bob Appleford, Sally Eckersley, Phil Kelly, Linda Landman, Russ Sanders, Sylvia Schuster, Tim Garrison, Sandra Tischer, Stu Schofield, Carol Dorman, Dick Young, Linda Miller and Henry Moor. Or rather, bodies lined the walls.

**Local Reserves**  
Edged 31-30 by Ferndale Seconds  
By HARVEY PETERS

The Birmingham high school reserve basketball team lost a hotly contested game in the second of play last Friday night to the Ferndale reserves 31-30.

Even though the Maples played a fast and accurate game, the towering Ralliplitters accounted for the number of Ferndale tips.

The locals held them by one point at the ends of the first and third quarters, while the Ferndale seconds were ahead by four points at the half. The game ran neck and neck up to the last minutes.

The heartbreak of the game came when Birmingham was shot by one point until the very last second of the game when a foul was called against the Maples. Ferndale's Don Chatfield was shooting. He was given two free-throws under great pressure, he sank them both giving Ferndale the two points that won the game.

**Maples Drop First Cage Tilt of Season**

By DICK EMERY

Size proved an important factor when the Birmingham cage team was defeated 45-23 by Ferndale in the Maples' first league game of the season last Friday night in Ferndale.

The Ralliplitters had an overwhelming advantage in height over the Maples, who played most of the game without lanky center Ned Sharples. Led by six-foot, five-inch Jack Hodge, they controlled both bankboards and made most of their points on tip-ins.

**TOM TRACY SHOT** the Maples into the lead by driving in for a bucket in the opening minutes of the game and Jim Barger added a basket and a free throw to put Birmingham five points ahead.

Ferndale quickly took command, however, scoring 16 points in the second quarter with Hodge and Tom Agar showing the way. The Ralliplitters left the floor at half-time on the long end of a 19-13 score.

In the second half, Ferndale turned the game into a rout, racking up 26 points while holding Birmingham to a meager 10.

The victory left Ferndale with a perfect record and a league play and established the Ralliplitters as a contender for the crown.

**THE MAPLES LACKED** point throughout the game and were unable to hit the basket, sinking only 16.3 per cent of their shots, by
