

A TYPICAL VIEW of the south parking lot of the Birmingham Grand Trunk railway station is shown in this photograph. Because of increased railway patronage, parking has been a major problem. Some commuters have been forced to resort to parking on nearby residential streets and this condition becomes more serious after heavy snow storms. City and railway officials are now attempting to find a solution not only to this problem, but also traffic congestion. Last week the city plan-

board presented the Grand Trunk officials with suggestions for improving parking facilities. One idea was to remove the portion of the planting strip immediately south of the station. "C. A. Skag, vice-president of the company said "consideration" will be given the suggestions. At a meeting Saturday morning between Police Chief Ralph Maxley, the city's traffic engineers and railway officials, traffic and parking matters were further discussed. (Joe Wheeler Photo)

Important Game Faced by Maple Cage Team Friday

BY STU SCHEIFELE
Fresh from a 45-43 victory at Port Huron, the Birmingham cage team travels to East Detroit Friday night for another vital "win or else" contest.
The Shamrocks trail leading Ferndale by one game in the Eastern Michigan League race. In league games they have beaten Port Huron, Hazel Park, and McLight and lost to Ferndale 49-

48 in a thrilling overtime contest.

A WIN FOR THE MAPLES, beaten by Ferndale and Hazel Park, would put them in a second place tie with the Shamrocks in league standing.
Their chief job, will be stopping Ron Kramer, who has 182 points in eight games for a 24-point average per game.
The locals showed considerable improvement in the Port Huron game but are still bothered by inaccurate shooting.
The team average for the season is a weak 308 on field goals and 466 on free throws. Friday night ends the first round of league play for all teams.

From where I sit... by Joe Marsh
Ed Got Red In His Own "Hot Water"
Big Ed started a "Pay-Your-Bill" campaign last week and ended up with a slightly red face. Ed's been our Water Commissioner for ten years, and for ten years now he's been getting riled up over slow payments of bills.
So, he finally decided to do something drastic about it. Last week he sent notices that if the slackers didn't pay up by Friday, he'd shut off their water.
Naturally, some still didn't square accounts. Ed ordered their water turned off, and 14 homes went without all week end—the Commissioner's among them. Seems Ed forgot to pay his bill.
From where I sit, Ed's mistake is one we all make at times. We are too quick to accuse others while forgetting our own faults. Lots of us do it, for instance, over a difference in taste for a soft drink or a friendly glass of beer. Let's respect each other's preferences and we'll all stay out of "hot water."
