

Southfield Optimists To Hear Talk on Atomic Energy

Atomic Energy will be the subject of a talk to be heard by the

Southfield Optimist Club Thursday evening, Jan. 3, at the Southfield Methodist Church auditorium. This topic will be covered by T. S. Cawthorne, Detroit representative for the Weston Electric

The speaker is a graduate of Rutgers in electrical engineering, spent much time in Western's Newark, N.J., plant, four years in their Long Beach, Calif., plant and during the war travelled from Omaha Beach to Berlin with the infantry. The U.S. army and Civilian Defense administration have used him as an instructor.

DICK WARD, 12, gets sympathetic attention from two schoolmates, Craig and Cal Hill, after breaking both arms in a coasting accident last Thursday. Dick, son of Mr. and Mrs. Tom Ward, West Lincoln, was injured while tobogganing at the Birmingham golf club. Riding alone at a time, he was unable to steer his toboggan and crashed into a tree. The Hill boys and Dick's two brothers, who were with him on the hill, took him to a nearby home, after which he was taken to St. Joseph Mercy hospital, Pontiac, where the fractures were reduced and casts applied.
