

Happenings

(Continued from Front Page)

A grant of \$100,000 has been established by the Dearborn Motors firm to be used for soil re-

search. The grant has been made in order to improve farming and the production in Michigan. The University of Michigan is cooperating in the program.

Coch Vincent Secomine said nine lettermen will be returning to the Baldwin football team this year. He said the first gridiron practice would be held on Pierce field Aug. 27.

Issue of August 16

Plan board members met Wednesday to organize and elect officers. Harry Denyes, Jr., was

January 3, 1952 THE BIRMINGHAM CENTRIC Page 3

named chairman with William M. Brown as vice chairman. Denyes said the new board would try to establish better public relations. Meetings are held the fourth Wednesday of each month.

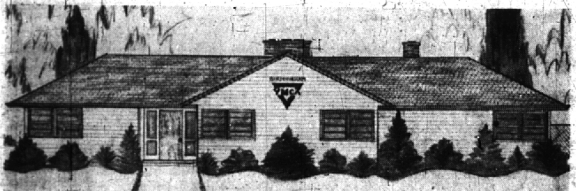

(Continued on Next Page)

AN UNIDENTIFIED BYSTANDER talks to 10-year-old Loren Balli, son of Mr. and Mrs. Walter Balli, 1686 Holland, after he was struck by a car in August. The driver of the car had already started to stop her vehicle when the boy was struck. Police Chief Ralph W. Moxley later warned children and motorists that with the opening of school, greater care should be taken by both to avoid repetitions of these scenes. The boy sustained cuts and bruises about the head.

THE LARGEST STREET repair and paving program in the city's history was launched this summer. The above photograph shows workmen putting finishing touches on the South Bates project this August. Barricades in all parts of town were a common sight to local residents.

WHAT THE NEW Y BUILDING will look like is shown in the above architect's drawing. The temporary building, a residential-type structure, is nearing completion on the 'Y' site at West Lincoln and Edgewood. Work and materials were supplied by the North Woodward Builder's association and the local junior chamber of commerce is helping to equip the building. The 30 by 20 foot structure will contain a lounge, game room, offices, lavatories and showers.

ONLY THE OUTER WALLS REMAIN of the Mrs. Francis Palms home on Eastways road, near Square Lake, Bloomfield township as a result of a windup fire late in September. Damage was estimated at \$350,000 to the 25-room, three story mansion. Seven trucks from four fire departments were at the scene.
