Sunday Sermonette

A Continuing Series by Local Religious Leaders

Have You Considered Him?

By Rev. L. J. Griffy

The general meeting of the WSCS will be held Feb. 6, when lunchean will be served at 1 the clock by members of the Anna to the work of the Anna to the WSC of the Anna to the Anna to the WSC of the Anna to the Anna to the WSC of the Anna to the WSC of the Anna to the WSC of the Anna to t

All four of the gospel writers refer to this very important conversation that took place hetween Peter and his Lord Jesus said to Peter and to His disciples, "Whom say ye that I am?" And Simon Peter answered and said, "Thou art the Christ, the Son of the living God."

It would seem then that the great concern on the part of our Card was that the people of His day and those who were to follow would not less sight to the identity and the purpose of the coming—"For the Son of the purpose of the coming of Jesus Christ.

Sarely my subject should draw the attention of every thinking person between the purpose of the consider Rim.

Sarely my subject should draw the attention of every thinking person we new live—"Have You Considered Him?"

Considered Him?"

Meet the Most Challenging New Car of the Year and for Years

the New 1952

CHALLENGING NEW 125 HP HIGH-COMPRESSION V-8

850 SO. WOODWARD

FEAST your eyes on this, America. Mereury has done in brought you in a rally new 1952 car that's far, far aband... that stands as an even greater challenge to the motoring world than last year's Mereury, one of the most pupilar curs that ever, came down the American Road. Your first back begins to tell.

came again the intericul noun.
Your first Jook begins to tell
you why. For here's something
entirely nest in car design.
with clean lines that sweep from
the new "Jet-seque" hood (inspired by the smirets European
ears) to a strikingly new rear deek cars) to a strikingly new rear deck design. Here's styling made pos-sible for the first time in automo-tive history by revolutionary new

techniques in metal engineering. But wait till you'feel the seppedup paee, the steady balance of this beauty. Then's more puwer—125-brosepower bight-compression V-8 - greater hick-up, and even better efficiency, And that's saying pleaty whou you'll bink of the prize/winning Meenury nefformance of recent
