## Here Friday! THE GREATEST CAR EVER BUILT IN THE LOW-PRICE FIELD

## The big 1952 FORD

### Out-rides them all!

The '52 Ford gives you riding comfort such as you have never before experienced in a car in the low-price field. With front springs tailored to the weight of each model, longer rear springs and diagonally mounted shock absorbers, Ford's Automatic Side Control gives you the smoothest, easiest ride of them all—a level ride on straightaways, an even keel on curves.

### Out-sizes them all!

The '52 Ford has longer wheelbase, wider front track and greater length. It's big outside and big inside, with spacious seating for six and the largest luggage locker of them all.

### Full-Circle Visibility!

With narrower corner pillars, picture windows all around and a rear window that's 45% larger you have "all-direction" vision that adds to your enjoyment and your safety.

### Out-performs them all!

Ford's completely new 161-hp. high-compression, low-friction Six, with free-running overhead valves, is the most modern Six in the industry. And Ford's high-compression V-8, now 110 h.p., is the most powerful engine in the low-price field. Both are available with performance-proved Fordomatic Drive.

### Exclusive Power-Pilot Economy!

Both the new Ford Midrange Maker Six and the Strato-Six V-8 have the exclusive Ford Automatic Power Pilot. This completely integrated carburetor-ignition-combustion system gives you high-compression "go" on "regular" gas.

### New Coachcraft Bodies!

Ford's new Coachcraft Bodies are longer, stronger . . . distinctive in their modern beauty. They offer new built-in construction which seals out dust, weather and noise. And Ford has more color and upholstery combinations than any other car in its field!

### Out-values them all!

With such modern design and engineering features as new High-Style Control Panel, new Power-Pilot Clutch and Brake Pedals, new Center-Fill Fueling, and new counterbalanced hood and deck lid, Ford adds up to more dollars and cents value than any car in its price class!

Fordomatic Drive, Overdrive, side window lines (if available) and two-tone colors on Customized Bodies optional at extra cost. Equipment, accessories and trim subject to change without notice.
