# There are Miles that Make You Happy

Also on the SUPER

YOU'LL discover a lot that you like in this neat, fleet and nimble traveler the first mile you drive it.

Such things as cushions broad and deep—six-passenger room unsurpassed by any car in America—fabrics rich, soft, harmonious.

As you take it through traffic—breast a hill or two—try it out on back roads—you'll find that you handle Dynaflow Drive\* as if you had always used it—your ride is serenely level—and a great tide of power comes surging up as you need it.

This, you will say, is very Super indeed.

But no one-time sample can tell you the deep-dwelling enduring thrill that is yours when you own this great middle series Buick.

How easy it is to park in round-town driving, especially if you have Power Steering.†

How relaxed you and the family will feel at the end of a long day's vacation jaunt—with Dynaflow Drive to let you drive at ease on the open road, without the tenseness of clutch-pushing in traffic—plus a Million Dollar Ride to protect the comfort of the family.

That ride is something to talk about. More than a dozen selected engineering features control roll and wander on curves—snub dip and sway before they get past the frame—carry you over all kinds of roads with lullaby smoothness.

And that Fireball 8 Engine—man, what a docile thunderbolt you'll find it to be! Here's a high-compression valve-in-head that really wrings miles from a gallon of gas.

In other words, all the miles you travel in this Buick are going to make you gladder and gladder that you bought it—for comfort, for fun, for thrill and for thrift.

What are you waiting for? Come in and get your sample today.

Equipment, accessories, trim and models are subject to change without notice. \*Standard on Roadmaster, optional at extra cost on other Series. †Now available on Super as well as Roadmaster—optional at extra cost.

### WITH THE Collegians

Virginia Robertson, Birmingham High School student, was one of four students receiving an award for excellence in photography at the Michigan State College high school journalism special course. Awards were made on the basis of student performance in a ten-day series of classes conducted in photography, feature writing, newspapering and year-books by members of the MSC journalism staff.

Two Birmingham students were among those achieving a distinguished rating Purdue University for their second semester work. On the list were Peter H. Abrecht, 822 Safford road, a senior in chemical engineering; and Norman L. Goddard, 31515 Bellevue, a freshman in mechanical engineering.

John Cannon, son of Mr. and Mrs. Earl Cannon of Safford road, left July 4 for Saultillo, Mexico, where he will spend eight weeks at the Interamerican School. John will return to enter his junior year at Yale in the fall.

Among the recent graduates from Indiana University was Marion Cannon, daughter of Mr. and Mrs. Earl Cannon of Safford road. Marion received a bachelor of science degree.
