

NEWS FROM Southeast of Birmingham

East Coast Cruise
The Jim Coulters, of Groveland ave, returned this week from a ten-day salt water cruise. Gary and Mary Edden of Birmingham were also aboard. The young people joined Jim's parents at Camden, Me. and sailed the "Western Way", a 60 foot schooner up and down the coast.

There is a lot to be done around the lodge, built last fall, before Malone can devote himself to fishing and hunting.

Mr. and Mrs. Webb Kincaid are entertaining Mrs. Kincaid's mother, Mrs. W. E. Orr, of LaFeria, Tex., in their home on Groveland avenue.

Mr. and Mrs. J. J. Livingston, Jr. of Elmwood avenue and small daughter Barbara, are spending a week at Green Lake with Mrs. Livingston's parents, the Fred Batts.

Tawata, was the scene of a two week's vacation of the Ronald O'Clairs of Elmwood avenue.

Social Bits
Mr. and Mrs. Michael J. Malone are busy these days, dividing their time between their lodge on the AuSable River, near Grayling and their home on Cooper avenue.

Luncheon Party
Notwithstanding the summer heat, a quartet of old friends met for lunch last week, when Mrs. W. H. L. Everard of Elmwood avenue entertained Mrs. Hartman A. Lichtwardt of Detroit, and Mrs. H. G. Stevens and Mrs. L. H. Hughes of Pleasant Ridge. Mr. and Mrs. Everard will leave soon for Wolverine, Mich. to spend a few weeks at their usual spot on Silver Lake. Their daughter and son-in-law, Mr. and Mrs. J. William Cedar of Abardovey drive, with Candace and Christina, will have an adjoining cabin.

Campers Home
Margie Sved, daughter of the George A. Sveds of Essex road, and Sandy MacDonald, daughter of the Archie MacDonalds of Glenwood avenue, have just returned from a stay at Camp Naira, Girl Scout Camp for Southern Oakland county.

Convention Thrills
The Republican convention in Chicago was not the chief drawing card for Mr. and Mrs. E. V. Walt of Essex road, but they did enjoy the excitement of its early days when they spent a weekend in Chicago.

Personals
Mr. and Mrs. S. R. Callaway of Burnham road have been entertaining Dr. and Mrs. S. L. Arey and their four children of Minneapolis. The Areys spent a few days with the Callaways on their way home from a month long motor trip through the east. Other regretful returnees were the C. W. Bugbee, Jr.'s of Burnham Road, who have been spending two weeks at Onokama on Portage Lake.

THE CANADIAN Rockies look down on the vacation Spot chosen by two Birmingham families. Above, Mr. and Mrs. James S. McDaniel, 320 Fairfax, look on approvingly while son Tommy sinks a putt on the Jasper Lodge golf course. At left, Mr. and Mrs. C. B. Harman, 852 Glengary circle, take time out for a refreshing drink while playing on the same championship Totem Pole course.

THIS is—to coin a phrase—a "shopper's market."

Folks are taking a keen look at what they get for what they pay—and they're taking a double look at price tags.

That's the kind of market where Buick really shines.

Do you know why?

Buick prices are down within easy reach of the folks who buy what's known as "the low-priced three."

Fact is—a big chunk of Buick sales comes from the folks who trade in one of this low-priced trio.

For very few extra dollars, they're getting a lot more automobile.

They're getting more power—and the thrill that goes with it.

They're getting "big-car" comfort. They're getting a ride that cost a million dollars and more to develop.

They like the room, the fabrics, the extra appointments they find in the smart-stepping beauty pictured here. And they like Dynaflow Drive.*

They like the way it handles. They like the way it's engineered. They like the belt they get out of touching off the power of its Fireball 8 Engine—and they like the miles they get from a gallon of fuel.

So Buick sales are booming. Not just the SPECIAL—but also the SUPER and ROADMASTER. Folks find that each one is the buy in its field.

When we tell you that business is great, we can back up that statement with figures. More people are buying Buicks than any other car at their price or above.

Why don't you come in and see for yourself what's behind this popularity?

If you can afford a new car, you can be the proud owner of a Buick.

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.
