WE HEARD IT SAID BY—
REV. W. GLEN HARRIS, of Birmingham's First Presbyterian church: "After watching and listening to the recent political conventions I am amazed to learn how much good these political groups have done for our country and the whole world. Honestly, I never knew before that they were capable of being so benevolent and helpful to society."

News copy submitted early necessarily is given preference over late items. So the "Early Bird" usually gets the space.
