

Signal School Bound

Cadet Robert E. Esch, son of Mr. and Mrs. Rudolf E. Esch, 740 Fairfax, is scheduled to report to Camp Gordon, Georgia, June 20.

To Trim Corner Shrubs Blocking View of Street

City Commissioner Lance Minor has pointed out to Birmingham city officials that something should be done about the shrub-

bery at the northwest and southwest corners of Lincoln and Southfield and at Lincoln and Pierce.

Visibility, he said, is very bad at these spots which are heavily traveled. The matter was turned over to the city forestry department for immediate action.

Four boys in Cub Pack B-7 received Webelos badges, highest award in cubbing, at an outdoor campfire meeting June 10. The boys are David H. Larson, Patrick Devine, David Dimock and Lyn F. Birchard.

Pack B-7 Cub Scouts Receive Advancements At Campfire Meeting

Four Canoe Trips Planned By YMCA

Canoe trips at cost for boys in the 14 to 17 age bracket have been arranged by the Birmingham YMCA and will leave from Camp Hayo-Went-Ha on four dates during the summer months.

These trips are arranged for boys who love the out-of-doors and a rugged experience. Boys need to be good swimmers.

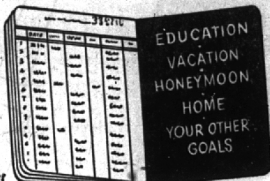

The schedule announced includes: Trip No. 1—Manistee River Trip—Group leaves Birmingham by bus late afternoon of June 24. Two days are spent at Camp Hayo-Went-Ha, then 5 days on the Manistee, then a day of so back in camp. Cost is \$40 plus bus transportation to Central Lake.

TRIP NO. 2 is Cullhane Lake Outpost trip from July 5 through 14 inclusive. Two days at Camp Hayo-Went-Ha, then 6 days in the beautiful Two-Hearted-River Country in the Upper Peninsula. Cost is \$46 plus transportation to Central Lake.

Trip No. 3 is the Indian River trip from July 23 through July 31. Two days at Camp Hayo-Went-Ha, 5 days on the Indian River out of Shingleton in the Upper Peninsula downstream to Indian Lake outside of Manistique. Cost of 9 day trip is \$45 plus bus transportation to Central Lake.

Trip No. 4 is a repeat of the Cullhane Lake trip from August 4 through 13 inclusive. All trips are supervised by experienced personnel and under the direction of Cliff Drury, who has had 25 years experience in canoeing and camping. Complete information may be obtained from Ed Kirbert at the Birmingham YMCA.

Road Oil Purchase

Upon the recommendation of City Engineer L. R. Gare and DPW Supt. Norman Knapp, Birmingham city commissioners have approved the purchase of 360,000 gallons of asphaltic road oil from the Asphalt Engineering and Sales company of Detroit.

Niparko In Race For 18th District Representative

Zigmund J. Niparko, former Hazel Park mayor presently ending his two-year recall to active service with the U. S. Navy, has announced his candidacy for the Democratic nomination to the office of U. S. Representative of Michigan's new 18th district. An instructor in the Ferndale school district and Oakland County Supervisor prior to his recall to service, Niparko is a graduate of Michigan State Normal College and Columbia University's Midshipmen's School. He was elected to two terms as mayor of Hazel Park and has served as a Lieutenant on the staff of the Commander Amphibious Force Pacific Fleet.

What's the big idea of DYNAFLOW DRIVE?

6-passenger Super Convertible.

THERE are all sorts of "drives" and "shifts" on the market.

Some still operate entirely by hand. Some depend on shifting gears, but do this automatically. Some feed the power through oil, but use a lock-out device at cruising speeds.

But we still think that Dynaflow* is the best of all for this simple reason:

The big idea of Dynaflow Drive is to make life easy for the driver.

In traffic, you can start and stop, slow down, accelerate with complete and infinite smoothness—because no gears have to shift, ever, in Dynaflow Drive. So there's no lurch, huck or hobble. Dynaflow always feeds power with a

steady, willing swoop—at 3 miles an hour or 30—or as high as it's legal to go.

On hills, you get the same sure, steady, unfaltering power-feed for the same reason. No gears ever shift.

On a long day's drive, you can ride with wonderful freedom from tension—your foot relaxed on the throttle—because you always drive through oil.

And at any speed you get a smoother ride, in part because Dynaflow Drive provides such a smooth and gentle linkage between that mighty Fireball 8 Engine and the rest of the chassis.

But this is not all. Our service records show that Dynaflow also makes life easier for your bank account. It saves wear and strain on the engine, banishes the cost of clutch repairs,

saves strain on the transmission and even on the rear tires.

There are a lot of other good reasons for buying a Buick—its style, its room, its ride, its power, its thrift, its durability—and its price.

When you can get all this—plus Dynaflow Drive—why be a holdout? Come in and give Dynaflow a try today.

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.

Sure is true for '52

When better automobiles are built **BUICK** will build them
