

New High School Is "On Location" For 75 Students

By NORMAN DOUGLAS

When movie-goers sit down in their favorite cinema to view the evening's worth of double features, cartoons, shorts and the latest news, many have some idea of the length of time it takes to produce a full length feature movie—but few, can imagine the time and work that goes into a "short."

Birmingham high school students this week are getting a taste of the long hours that go into picture-making. The film will be shown nationwide and be in color. Some 75 Birmingham high school students will take part in the production. Superintendent of Schools Dr. Dwight B. Ireland and High School Principal Ross Wagner have been assisting the film company in showing off the new school. A large miniature scale model layout of the new and the old in school building construction has been constructed on tables in the high school lobby.

MUCH OF THE film will center around the small models pointing out the values of school consolidations. The viewer also will be taken on a pictorial tour of the high school. Student guides will direct cameramen through the high points of the building. The German schoolmaster's

Legion Nine Wins In Clawson Opener

The Birmingham American Legion Post nine opened the Legion baseball season Sunday with a one-hit shutout over Clawson American Legion, 4-0. Winning pitcher Mike Hefferan whiffed 11 batters and walked only two. Losing pitcher was Rukembrop who allowed Birmingham six hits. Home runs were slammed by Bill Watkinson and Don Christie, but the real thrill of the game came on Birmingham's first run. With Mike Groves at bat, third base runner Tom Beck broke for the plate. Rukembrop threw high to the catcher in an attempt to nip the runner but Groves reached for the pitch and laid down a perfect bunt to squeeze the runner home.

WEDNESDAY was an open date for Birmingham and Sunday they will play Berkley American Legion at Pierce field at 2:30 p.m. Waterford will come here the following Wednesday with the game starting at 6 p.m. The Birmingham squad is sponsored by Harold Turner and Tom McDonnell, Inc.
