

# IN EGGS, TOO, Our Grading Assures You of The Best at WRIGLEY'S!

Quality control and grading that have no equal assures you the finest, freshest eggs that money can buy. Our own trained egg experts grade and sort these eggs according to rigid specifications that surpass even government standards. Then they are

rushed to our stores, daily, and placed in refrigerated display cases so that when you buy them — you buy only COUNTRY FRESH EGGS with that SWEET FARM FLAVOR. And remember, you'll NEVER find any storage eggs at Wrigley's.
