"Dear Dad We Love You!"
 When Dad's Day arrives the kind of gift you give your father will speak volumes! Make certain yours says: "We love you!" For Father's Day is a day apart. It's the day of all the year that is his special occasion. It's a day when your assurance of love will take on special significance, when your gift will be looked upon with the kind of quiet gratefulness characteristically deep in the heart of one who—all through the year—does so much for others, with little thought of self.
 You will find at LaBelles the kind of special men's gifts which, with silent yet strong eloquence, will truly say: "Dear Dad—We Love You." We sincerely believe they are the kind of gifts appreciated not only at first sight, but more and more as they are used. And above all, remember that "His Day" will be here before you know it. This year it comes on:
June 15th
 Special attention will be given to children desiring to make their purchases here. Everything will be wrapped as a gift.
