Shorts \$1.25 and \$1.50

MULHOLLAND'S MEN'S and BOYS' DEPARTMENTS

News About GIRL SCOUTS

Birmingham Girl Scouts will celebrate the fortieth anniversary of the founding of Girl Scouts on March 14 at the Community House from 4:00 to 5:00 p.m. A movie on world friendship will be shown, and refreshments will be served. Two representatives from each troop will be present and will make their reports' contributions to the Juliette Low International Friendship Program. Members of Troop 4 from Quant School will perform the flag ceremony. Mrs. Lawrence Quinn is Chairman of the day.

The regular monthly meeting of the Birmingham District Executive Committee of Southern Oakland Girl Scouts, Inc. will be held on Friday, March 14, at 9:30 a.m. in the Community House. Mrs. James Abbott will preside.

TROOP 52, PIERCE SCHOOL. Mrs. Herbert Green attended a recent meeting of this troop and continued her previous discussion on the meaning of the Girl Scout laws. At her suggestion, the troop divided into small patrols, and each acted out certain of the laws while others watched and identified them. The Brownies enjoyed this and found it a realistic way to learn and understand the meaning of what they were learning.

Micheline Shinkovich was ill and unable to attend the meeting but sent the nibbles that she had planned to make. They were Egg Twists, made by her mother, and were such a hit that their Leader, Mrs. C. V. Johnson, has obtained the recipe and will be happy to pass it along to those who are looking for something unusual and delicious for hungry Scouts.

AT THE FOLLOWING meeting of Troop 52, the Brownies attempted a difficult project. They made green construction paper wreaths to be decorated with the Girl Scout laws written in alpha bet noodles.

This was a task that had to be finished at home because it consumed so much time and concentration. Judy Beyer was hostess of the day and served homemade cookies.

Scribe Joan Bixby reports that two Brownies completed their projects and brought them to the last meeting of Troop 52.

Mrs. Walter Beyer, Troop Committee Chairman, demonstrated on the nurse's bed at Pierce School how to make a bed properly. Each Brownie made the bed herself, under Mrs. Beyer's supervision. After a Brownie has made a bed at home for seven consecutive days, she will pass part of the tenderfoot requirements.

This troop drew lots to see who would represent them at the Juliette Low Birthday Tea, and Joan Bixby and Francella Green were chosen. These Brownies also voted to contribute 25 cents each to obtain the money by washing floors or dishes for their Mothers, shoveling snow, and other tasks.

TROOP 38—ADAMS SCHOOL. As part of the international requirements for their second class rank, members of this intermediate troop visited Carrie Lee's Tea Room recently.

They were greeted by Mrs. Lee who conducted them on a tour of the kitchen where they watched cooks prepare complete Chinese meals and were shown the various types of Chinese vegetables.

They were given Chinese magazines to take home. Mr. Gee took them to the dining room and showed them many Chinese articles. Tea and almond "fortune" cookies were served. Each girl bought a pair of chopsticks which waiters showed them how to use.

THE TROOP'S contribution to the Juliette Low fund will be presented at the Birthday Party at the Community House Friday afternoon.

Have You Met . . . William F. Piech of 797 Glenhurst? He moved from Detroit in September. A manufacturing engineering consultant for the Ford Motor Company, he is a member of Oakland Hills Country Club and the Detroit Yacht Club. Photography, music, and horticulture are his hobbies.

Mr. and Mrs. Russell J. Cannon, who have been making their home at 18615 San Diego avenue since last April when they moved from New Haven, Conn., Mr. Cannon is district sales manager for E. I. DuPont de Nemours Company, Grinnell division. Mrs. Cannon is a member of the Lathrup Women's Club and the Garden Club. Bridge, millinery and gardening are her favorite pastimes.

CENTERPOISE POWER
Vibration and power impulses are "screened out" as engine is centered and rubber-cushioned between new high-side mountings.

LARGEST BRAKES
Big 11-inch brake drums apply more leverage for more stopping power. Stops are smoother, safer, with less effort.

BODY BY FISHER
Fisher Body sets the standard for styling, for craftsmanship, for comfort! Fisher Unisteel construction is extra strong.

4-WAY ENGINE LUBRICATION
Chevrolet's exclusive engine lubricating system supplies exactly the right kind and amount of lubrication to each moving part.

POWERGLIDE AUTOMATIC TRANSMISSION
Simpler with fewer parts to wear. Smoother—no complicated intermediate gears. Optional on De Luxe models at extra cost.

CAST IRON ALLOY PISTONS
The same material as the cylinder block, pistons expand and contract at same rate. This reduces wear, lowers oil consumption.

SAFETY PLATE GLASS ALL AROUND
Chevrolet alone in its field gives you safety plate glass in windshield and all windows, for a clearer, truer all-round view.
