## Local Churches Invited To Join Those Honoring Y's 100th Anniversary

Mar. 16 has been set aside throughout the country as "YMCA Sunday," honoring organization's 100th anniversary.

Pastors of Birmingham area churches have been invited by Ed Kirbert, local Y secretary to join the observance, honoring a youth organization which has worked closely with religious bodies during its entire history.

Chester A. McPeeters, president of the Detroit Council of Churches, ended a special release, "A Word of Appreciation" by saying:

"We rejoice in your wonderful first hundred years. We join hands with you in a new and deeper pledge of dedication and devotion to those basic purposes which are at the heart of the YMCA movement, and to the Christ who 'loved the church and gave His life for it.'"

Want ads cannot be accepted after 5 p.m. each Tuesday.

THE FINAL payment in the \$5,000 building fund pledge of the First Methodist church to Embury Methodist church was made recently by church representatives. Claude Morrow (extreme left) of the First Methodist church looks on as Harold Gasser presents the check to Fred McCullough, president of the Embury board of trustees. Background spectators (left to right) are the Rev. Reginald Becker, Embury pastor, and the Rev. Arnold Runkel, D.D., pastor of the "mother" church. (A Joe Wheeler Photo)

## Christ Church Presents Haydn's 'The Creation' Next Sunday Afternoon

Several local musicians are scheduled to take part in the public presentation of Haydn's "The Creation" at Christ Church Cranbrook at 4:30 p.m., Mar. 16.

Robert Slusser, organist and choirmaster at the First Presbyterian church, will be guest organist. Kent McDonald, organist and choirmaster at St. James Episcopal church will preside at the piano.

MR. THEODORE DETZLER, Happy About The Whole Thing

## Discovers Pleasant Way to Save Money

"When it comes to travel to and from my home in Grayhound every time," says Theodore Detzler, United Savings Bank employee whose home is at 23139 Tuscany St., East Detroit. "From where I live, there's nothing can match Greyhound's suburban service for saving time, money and driving strain."

"I like the clean buses. I like the safe, courteous drivers. And with the prices of everything else going sky-high, I like the way Greyhound has kept fares down. In fact," says Detzler, "everything about Greyhound's suburban service adds up to the kind of ride I really enjoy."

Greyhound commuter schedules everywhere are conveniently timed—and fares are about as low as in pre-war days. Why don't you test its economy and convenience for yourself? Leave your car at home and try Greyhound for one week! The fare from Birmingham to downtown Detroit is 40c. For Greyhound Commuter schedule information in Birmingham, telephone MI 4-4345.

# For Normal Driving - It Loafs!

You cross over the boundary into another state—and there are the posted rules and regulations.

Maybe the daytime limit for passenger cars is "forty-five"—or "fifty-five." Or, maybe no limit at all... just your own good common sense and the general rules of safety.

Well, whatever the legal limit, your Golden Anniversary Cadillac is going to "loaf!"

Down under its hood is the most powerful engine ever used in a standard American passenger car. There's more power there than you'll ever need—except for emergency.

But don't think that great power doesn't work for you—even when you are driving within the legal limits!

It works for your safety... because a great reserve of power is a wonderful safeguard in most of the driving emergencies that present themselves.

It works for your comfort... because no car rides so well, or handles so superbly, as when it "coasts along," with a great percentage of its power still under the accelerator.

And it works for your peace of mind... for it is unbelievably comforting to know you have tremendous acceleration, should the necessity for it arise.

Of course, power has to be harnessed and handled in order to be your friend and servant.

So the Golden Anniversary Cadillac has superb new brakes—larger and more efficient—and designed and built to double the span of their endurance.

And those who want the ultimate in easy handling may order at extra cost Cadillac's new power steering that eliminates up to seventy-five per cent of normal steering effort.

It would take a volume to tell you all the things that have been done to make this a "car among cars."

But it will take but a mile or a minute for you to sense what it means in terms of pleasure and satisfaction.

It means something wonderful... too wonderful, in fact, to miss!

Better come in today—for a look—and a ride—and a revelation.
