

**Royal Oak Y Sponsors Square Dance Program**

The Royal Oak YMCA is sponsoring a square dance on March 27 at the First Methodist church, 320 West 7th, from 8 to 11 p.m. Dances are held regularly the second and fourth Thursdays of the month for couples who have had some square dancing instruction.

Beginners may contact the Y office in Royal Oak for information on classes.

**Contract Bridge Class Starts at Royal Oak Y**

Classes for beginner and advance contract bridge are being jointly sponsored by the Royal Oak YMCA and Royal Oak board of education. Classes in duplicate bridge are also planned for the 10-week period which opened Tuesday.

A spokesman for the two groups said one of the state's outstanding bridge experts has been engaged as instructor.

All classes are being held at the Royal Oak high school on Washington avenue, where additional information may be obtained.

**BOY SCOUTS**  
March 29 is the date set for Troop B-4's annual paper drive. Funds received go toward troop expenses, new equipment and camping trips.  
A course in first aid is planned for April for those scouts wishing to earn first aid merit badges and qualify toward the Emergency Service Training program. Scouts and Explorers holding second class rank are eligible, according to H. G. Silbar who will conduct the course. Courses in firemanship, personal and public health have already been given.

Richard Molby, director of Camp Howell, will speak at the March 29 troop meeting. He will show slides and pictures taken at camp last summer and talk on the current camp program.  
Troop B-4 has an "option" on the Daniel Boone campsite for the first summer period, June 22-July 5.  
New members on the Tom-Tom, official troop bulletin, are Tim Usher, Fred Woodworth, David Wentworth, Christie MacTavish, Jim Silbar and Ran Hamner.

**To Head New Ford Designing Section**

A Birmingham man will head the newly established advanced vehicles department for the design and creation of advanced production passenger cars for Ford Motor company, it was announced last week by Earle S. MacPherson, chief engineer.  
Hans A. Matthias, 655 Ridge-dale, will head the department

which is to concern itself only with future design operations and the establishment of specification and sizes for advanced Ford passenger cars.  
MacPherson said the new department will be disassociated from current production engineering and will devote its efforts toward the development of future technical improvements in passenger car design.
