Summer Theater Plans Winding Up

Ten working scholarships to graduates of high school or boys in their early years of college have been made available by the Cranbrook Summer Theatre school, according to Director Carl G. Womberger.

Students selected must be recommended by their dramatics teacher, their counselor, or their principal, and are entitled to tuition and all the recreational program at the Theatre School while

out charge in exchange for some rather nominal help in the physical operation of the Greek Theatre plant.

Cranbrook has revived the credit course in dramatics, offered to high school and college students in connection with the regular summer dramatics program. Credit is offered any student properly qualified who is willing to satisfy the requirements for a full Carnegie unit, to be transferred to the school of his choice.

Except for refreshments, the Theatre School has reached its limits in most divisions, although according to Womberger, boys will be accepted for a while at every level.

Added to the Theatre School staff is Mary Barton of Western College and Bloomfield Hills, an alumna of the Theatre School.

BLOOMFIELD VILLAGE SCHOOL NEWS

First grade news—We made Mother's Day cards. Betty Greiner celebrated her 7th birthday on Tuesday, May 6. She invited the entire grade to her party. On Wednesday, May 7, we had a dinner party. Susan McPike celebrated her 7th birthday on May 10. We had a party for her. Her Willey is newspaper reporter this week.

Second grade news—We made A B C books and illustrated them for writing. We also made Mother's Day cards this week. The following boys and girls have been assigned duties for this week: Sharon Jackson, attendance; Cindy Higgins, pencil sharpener and lights; John Slater, water plants; Pamela Walker, grass seeds; Kathleen Eynon, cloak room; Bob Winterhalter, straighten rows, Gary Willey, nookness and reading table; Mike Mahaffey, wash boards; Dick Beambien, pick up paper; Dick Greiner, nap easers; and Judy Bartholomew, straighten reading chairs.

THIRD AND FOURTH GRADE NEWS—Mary Seyferth was 10 years old on May 8. We have been reading the story "Packing the Sea" by Holling G. Holling. We have made a huge map of the Great Lakes region and placed in the story and are making trees, ships and mountains to put on this map. Jack Garney was elected this week president and Larry Crawford is vice president. Sara Bartholomew is reporter.

Fourth and fifth grade news—Officers for this week are: Anne Kiefer, president; Richard Eggen, vice-president; and Mickey Greer, secretary. Our class is studying a unit on "Plying Up" in their social studies. Several pupils attended the Gray V campout last week at Holly Mountain. They were: Peter Beardley, Susan Leahy, Peter Russ and Helen Cullin.

George Harris, Phillip Andreas, Joe Odien, Peter Palmer are going out for Little League Baseball this year. Linda Stevenson celebrated her 11th birthday last week. She had as the aquarium she received.

Den 3 of Cub Scouts beat Den 2 at baseball last week. The Brownies are learning their Tenderfoot requirements in preparation for "Plying Up" to Girl Scouts on May 28. Mary Seyferth brought the treat since it was her birthday. Reporter for this week is Susan Leahy.

SIXTH GRADE NEWS—Officers elected on May 8 were: secretary, Pat Henry; reporter, Bill Cartwright; books, Elizabeth Gillen and Hank Bartholomew; plants and animals, Jeff Crawford; sherriff, Howard Flint and Delores Schuy.

Dick Taylor left for Washington, Thursday, May 8. He was selected as patrol captain of the school having the highest safety record in Birmingham.

On May 6, we weighed our rat and found that he weighed 204.5 grams. We sent him back to the rat farm now as he was getting too big.

We saw six movies in a period of three days. They were: "The Pond Life", "Birds Can Be Interesting", "Making Electricity", "Our Earth", "Plant Growth", and "Life of A Plant". After each movie we wrote notes about it, and then we talked about what the pictures were about.

ON FRIDAY WE EXAMINED the parts of a flower we had brought to school. We took some of the outside parts away so we could get a good look at the insides of a flower. We found out things that we never knew before. The more we learned our frog is getting covered with a sort of a web. It seems to be killing our moss and we do not know what it is.

Some of the girls in our room went on their overnight campout. They left on Friday, May 9th and came back on Saturday. A few of the girls also went to the Birmingham High school band concert.

Most of the boys are interested in the Little League Baseball and will soon be heading for Harmon Field to try-out for a Little League team.

We have had a series of sixth grade baseball games. The Davis' Team has won 3 and lost 3. Hank Bartholomew's Team has won 3 and lost 3. They are the captains of the two teams.

WE STILL HAVE OUR frog but he is quite lively. He doesn't do anything but just sit. Our other frogs and salamanders are still mostly staying under the mud in their places. Mr. Crandall said that they should be about ready to eat some food and if they don't eat soon we will have to let them go because we do not want them to starve.

Martha Dosa's bird flew out of her house last Friday but returned on Saturday. He rapped on the window and woke them up. This was at four P. M. in the morning. His feathers were all ruffled up so it looked like he had had a fight. When they opened the door, he flew in and ate a handful of birdseed out of Martha's hand. He was the last of his wild life and decided he liked it.

The boys in Boy Scout troop B 15 are planning an overnight hike in three weeks.

Pat Henry rode in the Riding Show at Oakdale on Saturday, May 10. She was in class number 9.

Girl cot troop 321 is planning its part in the Investiture Ceremonies when the Brownies Fly Up on May 28.

The girls are ready to make plans for a personal health dinner to which their parents will be invited.

WALNUT LAKE NEWSLETTER

The fourth grade took their lunch and hiked over to the home of Mr. and Mrs. Harold Chalmers to see how many things they could recognize that they have been studying in their science class.

Our district spelling champion, Mary Roberts and her mother, Mrs. James Roberts, each received corsages from the Men's Club to wear to the Detroit Spelling Bee Friday, May 16 to the club to go down of the 31 in the contest. She was one of the three sixth grade entrants. Her class at school listened on the radio to the conclusion of the Bee during the afternoon. We are very proud of Mary.

All grades are making plans for their final picnic, which will be smaller this year as only two groups will meet at the same time and they may pick their own place of meeting.

Ed Kierbert of the Birmingham YMCA arranged for Otoy Zahm to call a few square dances for the members of Junior Big at their last meeting.

Cranbrook Nine Wins and Loses

Dearbourn High school varsity baseball team squeaked by Cranbrook to win 3-2 on Wed., May 7. Despite a two-run lead in the opening inning, Dearbourn managed to come back in the final frames when a combination of hits and errors enabled them to score two runs. Bob Newmy was the losing pitcher. Don Slotkin led Cranbrook's attack with two hits.

The Cranbrook nine came through in the 10th inning to edge Western Reserve Academy of Hudson, Ohio, 3-2, on Sat., May 10. Cranbrook was losing 1-1 in the seventh inning when an error on John Hatch's smash to left field gave the game. Three innings later with a man on second, Hatch was intentionally passed. Donald Slotkin finally riddled a double into right field to score the winning run. Bill Suter was the winning pitcher. Suter was the losing pitcher. John Hatch and Don Slotkin led the Cranbrook attack with two hits apiece.

The varsity will oppose Nichols School of Buffalo, N. Y., in another Inter-State League contest on May 17.

No White Elephants

What a blessing . . . because money is being spent wisely. Why? Because the bride-to-be can come in and choose what she would like, and a record is made so that when you come in to select a gift for that bride a list is ready for your choice at a price range that is sure to be within what you wish to spend.

This is not a commercial setup, because it eliminates a lot of useless spending and the bride you send a gift to, receives something that she knows she can use. This is the result of many years of trying to find the right way to save money and please the people.

Gifts can be had for as little as two-fifty and up to what ever you wish to send.

Many gifts in silver, range from five dollars and up, plus excise tax.
