The meeting will include annual reports of volunteer service chairmen and the election of directors, executive committee members and chapter officers.

WE HEARD IT SAID BY—CONNIE VETRAINO, Leonard's Electric: "The bulk of our record business is in selling the 33 1/2 rpm records. The sale of classical recordings on the 78 is definitely dead. We sell very few 78 records except in the pop stuff. It seems as if the collectors of classical music either changed their machines over from the 78 to the 33 1/2 or have bought new recorders."
