

Things bring worries... unless—

It's true that possessions may bring worries as well as satisfaction.

As you acquire a house, a car, furniture, jewelry and a bank account, you can (and should) start to worry about what may happen to 'em.

Your house may burn up or blow away. You may hit somebody with your car or a golf ball and get sued for big dough. Or somebody may steal your car or diamond ring. And so on.

The only cure for such worries is to carry plenty of fire, windstorm, theft, liability and other insurance to protect you in case of any kind of loss.

And that's WHERE WE COME IN to help you.

Red Cross Starts New Service Class

Classes started this week at the Birmingham Community Home for the training of Red Cross volunteers in home service work. The 13 new volunteers will work to provide service at home to the servicemen in the field, according to Mrs. George W. McCormick, social welfare aide chairman in the county.

At the preliminary class, Mrs. Mildred Bennett, executive secretary for the county chapter, spoke on the various welfare agencies and resources on which Red Cross workers may draw.

SUBSEQUENT SPEAKERS will be Mary Lou Hill, Carroll Nussey and Mrs. Alice Galsberg, home service caseworkers. In addition to speakers, a trip to Selfridge Field is planned during the course to show the relationship between the home service program and the military.

Classes are held Wednesdays from 9 a.m. to 1 p.m. Volunteers wishing to serve may contact Mrs. McCormick at the Royal Oak or Pontiac offices.

Area Asked to Donate Items for Rummage Sale

Mrs. Ralph Woodburn, 32055 Telegraph and Mrs. Dalton F. Sifton, 6086 Bloomfield lane, are among those who will have charge of a May 28 rummage sale for the benefit of muscular dystrophy victims in the area.

The sale will be held at 303 South Main, Royal Oak, and items may be left at the Franklin Community church or Mrs. Woodburn's home prior to May 27. She and Mrs. Sifton will arrange for pick-up service if requested.

Efforts are being made for the formation of a chapter in Oakland county to aid in treatment and further study of this disease.
