## Tuesday Night 'Open House' At Birmingham High School

Open house for parents and friends at Birmingham High School has been slated for Tuesday, November 11, beginning with a meeting at 7:45 p.m. in the school gymnasium.

The Assembly Club of the high school will present a program showing how the students conduct a meeting every other Monday night to plan assemblies.

Bob Appleford is president of the group. Forest B. Hubert, president of the high school PTA, sponsors of the Open House, and Rose Wagner, high school principal, will greet the parents.

FOLLOWING the brief meeting in the gym, parents will be given an opportunity to visit the home rooms of their sons or daughters, and to follow their schedules.

"Periods" of seven minutes each will enable parents to tele- scope into a brief time the class work of high school students, and to learn of some of the problems from both a faculty and student angle.

In addition to the entire faculty, selected students will act as guides and hall directors while others will stage various types of exhibits or explain pieces of equipment.

Mrs. Thomas Sheehan, PTA membership chairman, said an opportunity will be given parents to join the PTA during the evening.
