Helen E. Kean, dean of women, will address the U. of D. Women's Guild at their next monthly meeting. For her topic Miss Kean has chosen "The Co-ed's Dilemma in a Changing World".

### Doll Tea Date Corrected

Society deadline is 3 p.m. each Tuesday.

## SPACIOUS and GRACIOUS

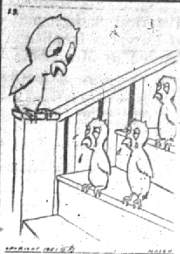

An ideal family home . . . planned for a growing AND ACTIVE family group. All brick . . . spacious grounds (160 by 212) . . . near the school and in the finest part of Birmingham's residential area.

- LET'S TALK ABOUT PRICE!**
1. You'd pay \$58,070.00 to build the house today.
  2. The land and planting are worth at least \$11,750.
  3. That totals \$70,000.00.
  4. BUT . . . the house is not new. So subtract \$24,370.00 for its age. (That depreciation figure alone would buy a lot of houses in Birmingham!)
  5. Now add for carpeting, drapes, stove, refrigerator, Dishmaster, gas clothes drier . . . plus all the little things you must put in a new house . . .
  6. So . . . instead of going broke . . . or over-extending yourself (that's a better way of saying the same thing) . . . you can buy this top-notch home for only \$45,000.
  7. P. S. No . . . there's nothing wrong with our arithmetic! The \$3,500 saving you'll make is a bonus for being so sensible!

Bring your pencil when you come to see it. Check with the figures . . . write your check . . . move in . . . and sit back in comfort. You've made a real buy!
