

Southfield Kiwanis Club Holds Ladies' Night; Will Vote on By-Laws

Speaker for the Ladies Night program of Southfield Kiwanis club on Wednesday evening was Horace Carpenter, Jr., president of the Northland shopping center. He spoke on the future plans of the Hudson project being built on Northwestern highway and of the influence it can, and undoubtedly will have, on the entire Southfield area.

party held Saturday, a spokesman for the club said more than a thousand hot dogs were given away, with every store in a neighborhood being cleaned out. Cooking and serving was in charge of Mrs. F. R. Jennings, Mrs. John Grimes, Mrs. Melvin Steinbrenner, Marion Yoki and Dorothy Cameron.

It was announced that at the Oct. 8 meeting, Southfield members will vote on proposed by-law changes adopted by the International Kiwanis board of trustees at their June 14 and Aug. 8 meetings.

Play It Safe!

FIRE PREVENTION WEEK OCT. 5-11

Once again Fire Prevention Week will be observed throughout the nation. Fire Prevention Week is annually designated by Presidential proclamation to include Oct. 9, the anniversary of the great Chicago Fire.

Statistics show that human carelessness still causes a greater loss each year than was caused by the Chicago conflagration, so figuratively speaking Mrs. O'Leary's cow, legendary cause of that fire, is still in our midst. A need is shown for a more concentrated effort 52 weeks of the year on fire prevention in the home, at work and away.

IT IS ONLY through the cooperation of each of us that the mounting fire loss in our United States can be cut down, not only in dollars and cents but in lives. Can you realize that somewhere in this great nation of ours, fire engines roll to a fire every two minutes. Furthermore out of this average of a fire every two minutes, a death by fire occurs once an hour. It is estimated that 30 per cent of these fatalities are children under 10 years of age.

How can we as individuals cut down these needless losses? Only by constant surveillance and good fire prevention practices in our every day life.

The "Safety First" aim of every family should be to study jointly all information aimed to help them to avoid fires.

Let's all "PLAY IT SAFE" and observe Fire Prevention Week 52 weeks a year; give our families a chance, don't let them become one of those cold statistics.

BIRMINGHAM FIRE DEPARTMENT

Presbyterian Youngsters End Summer's 'Cruise'

Boys and girls of the First Presbyterian church will bring the cruise of the "SS Peace" to a close on Oct. 9, when they hold a family-night supper and review of the summer's program.

The group has worked during the vacation period for a greater understanding of foreign peoples, feeling this knowledge is a great stride toward world peace.

The menu will be "international," with a display made up to represent the places of interest "visited" in many foreign lands during the cruise.

General news deadline is 4:30 p.m. each Tuesday.

Intermediate Leaguers End With Banquet

Little Bigger League ball players were feted with an award presentation banquet at the Community House Thursday, Sept. 25.

Former Detroit Tiger, hurler, Schoolboy Rowe was the guest speaker at the affair that attracted nearly 150 players and parents.

League President Don Chaffee gave a short resume of the season's play before presenting the trophies. He promised an enlarged league of six teams when next year's season opens.

The league's all-star team was praised for winning the regional playoffs and were given the Coca-Cola regional award championship trophy.

The Rockets, city champions, were presented with two trophies. The first was a large permanent trophy contributed by the Hugh C. White Agency. A second Coca-Cola trophy also went to the Rockets.

THE ROCKETS received baseballs and the all-stars were given autographed miniature baseball bats.

In outlining next year's plans, Chaffee reported that the league was in need of more sponsors and three new coaches. Bob Thompson, who coached the Chiefs this past summer, has moved out of the city for business reasons.

Suburban Motors, sponsors of the victorious Rockets, shared the spotlight with the league champions. Other sponsors during the recent season were Wilson Brothers Pontiac-Cadillac, Inc., Great Lakes Tractor and Equipment company and North Chevrolet company.

Orientation Meet Explains Program Of Red Cross Work

The history and work of the American Red Cross was explained by several speakers at an orientation course for new chairman held at Baldwin library last week.

Mrs. Bradlee Pruden, 491 Hanna, conducted the meeting. She is chapter vice chairman of volunteers.

Mrs. J. C. Walker, service group chairman from Pontiac, told of the need for trained volunteers. The newly appointed chairman of nurse recruitment, Mrs. Hernandez Rodriguez, of Royal Oak explained that work, while Mrs. Robert S. Kohl spoke of the Junior Red Cross program.

OTHER OAKLAND county Red Cross activities were described by Mrs. Mildred E. Bennett, executive secretary.

"We have these meetings twice a year," Mrs. Pruden said, "in order that each section and division can become acquainted with the work and problems of the others."

"That, we feel, is the only way in which the entire group can successfully coordinate their efforts for the greatest good."

CASHMERE
EXTRAORDINARY VALUE for a very ordinary price!

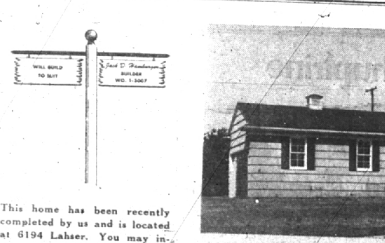

Due to special bulk purchase, cashmere... aristocrat among fine fabrics... it's yours for this low, low price. The tailoring is in the traditional fine Hart Schaffner & Marx manner. It takes Hart Schaffner & Marx's many years of quality tailoring experience to cut, mold and stitch such rich softness into a handsome, perfect-fitting—but practical—garment like the new season's model shown here. Stitched, edged, genuine horn buttons, patch pockets have island flaps. Satin lined. Single or double breasted, in natural tan. Priced as low as \$135

Dickinson's
— IN THE WABEEK, BUILDING
FINE APPAREL FOR GENTLEMEN

Above is another example of homes we are constructing in the Birmingham, Bloomfield area. Upon inspection you will see that we have endeavored to use the latest approved innovations. We might mention here for example the manner in which Formica is installed in all our kitchens. And too, from the abundant closet space we

certain the ladies will feel our homes have been built with them in mind.

In our effort to provide comfortable living during the summer months we pioneered in the inclusion of attic fans. Uppercost in our minds is maintaining the tradition and mood of the Birmingham, Bloomfield area, and providing the highest quality construction.

If you are considering building a home it will be a pleasure to put the services of our associate architect, realtor and ourselves as builders at your disposal.
