## Election Board Pay Increased; List Inspectors

An additional \$328 appropriated by Birmingham city commissioners for election expenses will grant pay increases to those serving on the Nov. 4 city election board.

Chairmen will receive \$17 for the day, with other workers receiving \$14. Previous rates have been \$12 and \$10 per day.

Workers who attend the election school will receive \$1 over these rates.

Commissioners intimated that these rates might hold true only in the coming election which has every indication of being exceptionally heavy.

Election board members, approved by the commission, are:

Precinct 1 (Lutheran church school where three machines will be in operation): Louise Barden, Priscilla Mickelson, Mary Lambie, Alice Anderson, Allene Wood, Mildred Smith, Mary Alice Barry, Martha Duff, Kenolly Cowan, Ruth Grant and Jean MacDonald.

## Seniors Are Tops In Field Events

With a total of 98 points the seniors won the 1952 field day by the largest score ever recorded.

Juniors were second with 78 points, sophomores third with 37.5 points, and the freshmen last with 24.5 points. Included in the seniors 98 points are eight first places, two ties for first, and three seconds.

This was the first year field day was held at the new high school and it had to be held in the gym because of the lack of bleachers on the outside.

The parade and cheering brought out some novel ideas, with the juniors winning the parade and the seniors winning the cheering.
