Saved by \$10... \$10000 LOST!... A good example of today's insurance values.

There are a hundred ways that you or your family or your dog can cause injury to somebody which may result in a lawsuit against you.

Somebody may trip on your front walk. Your child may hurt somebody with his bicycle, or even playing ball. You may sock somebody with a golf ball. An occasional employee may fall and break an arm.

For \$10 a year we can protect you against many kinds of lawsuits up to \$10,000, with an America Family Legal Liability Policy. And the same policy, pays medical fees up to \$250 for non-fatal injuries even if you are not legally liable. Ask us.
