DO YOU WANT A WAR PRESIDENT OR A PEACE PRESIDENT?

Before you vote, consider this:

If you want to know whether America's foreign policy is good or bad; just ask yourself one question: Will our foreign policy lead to peace, or will it lead to war?

History proves that the Democrat party is the war party. The Republican party is the peace party.

REPUBLICAN WAR CASUALTIES

Theodore Roosevelt	none
Wm. Howard Taft	none
Calvin Coolidge	none
Herbert Hoover	none

DEMOCRAT WAR CASUALTIES

Woodrow Wilson	334,734
Franklin D. Roosevelt	994,893
(World War II)	
Harry S. Truman	120,269
(Korea to 10-9-52)	
	1,449,896

DO YOU WANT REPUBLICAN PEACE or DEMOCRAT WAR?

Let's look at the record. In the past 50 years there has not been one single battle casualty while a Republican president has been in office.

In the same 50 years we have had a war under every Democrat president, resulting in death and wounds to nearly 1,500,000 American boys. Here's the record:

YOUR CHOICE ON NOVEMBER 4th

If you or your children are of draft age and you want to avoid the dreadful horrors of a third World War, the weight of history offers these possibilities: Adlai Stevenson as our next Democrat war president, or Ike Eisenhower as our next Republican peace president.

Let's sweep the war party out of office. Let's vote straight Republican. Let's sweep it clean!
