

## Shady Side Whips Crane's Varsity

Cranbrook's Varsity football squad lost to former Inter-State Prep League Champions, Shady Side Academy, last Saturday in Pittsburgh, Penn. by the score of 19-0.

Throughout the game Shady Side dominated the play and effectively succeeded in stopping any Cranbrook offense. The first three passes attempted by the Crane gridgers were intercepted, enabling Shady Side to score two quick touchdowns.

The opponents' final tally came in the last quarter when Van Horn broke loose for a forty yard run to pay-dirt.

## Crane Beaten By Lincoln Park

The Birmingham cross country team invaded Lincoln Park last Friday only to receive a 43 loss. The meet was highlighted by the running of Dick Payment who set a course record of 10:20.

This win was Lincoln Park's twenty-fourth straight victory.

From where I sit... by Joe Marsh  
Wonder How Miss Gilbert Is in "History"?  
By now I guess you've heard about the spelling errors in the kids' report cards this week. A typical card looked like this:  
Orthmetic..... B  
Geography..... B  
Spelling..... C  
Grammar..... B  
I don't know if Miss Gilbert, the principal, actually wrote those cards, but she took full responsibility. This morning I hear she got up in the Assembly Hall—before all the students—and started writing GRAMMAR with two "a"s on the blackboard 100 times!

## Cranbrook Schools Pick Two Leaders

Three Birmingham students have been selected to head activities at two Cranbrook schools during the coming season. George Glover, son of Mr. and Mrs. George H. Glover, 1144 Cranbrook, has been named secretary of the Junior class at Cranbrook school. He is also a staff writer for the yearbook and a member of the varsity football team.

Robert Newey, son of Mr. and Mrs. D. H. Newey, 1085 Waddington, has been appointed to the conference committee of the Church Cabinet, a religious group composed of students of Cranbrook school and Kingswood school Cranbrook. A member of the varsity football team, he is also acting as a senior prefect.

Janie Wallace, daughter of Mr. and Mrs. D. J. Wallace, 621 Fairfax, has been appointed to the conference committee of the Church Cabinet.

WHEN PRESSED FOR PRESSURE—Deeked out in a new T-1 high-altitude flying suit, an Air Force test pilot at Wright Air Development Center, Dayton, Ohio, shows us how comfortable he'd look in a jet fighter seat. When cockpit pressurization is lost at high altitudes, the pilot activates the tubes at the side of his suit which supply the vital force. Our model also wears a new one-piece helmet with an electrically heated visor that prevents fogging.

## Cranbrook Wins In Soccer Game

Sunday, October 19th, the Cranbrook school midget soccer team defeated a similar team of the Detroit Olympics on home fields.

The Midgets, currently holding down first place in the Red Division of the Detroit Midget League, insured victory in the first half by scoring four goals. Mark Sobell made the first tally of the afternoon unassisted. Shortly afterward Bruce McCaul scored two more points for Cranbrook. Seconds before the end of the half Captain Don Tavnyan raced the length of the field for the fourth marker.

The remaining six points were divided between Tavnyan, Romald Otto, John Himelboch, and Jimmie Mann.

The Midget Team will play its fourth in a series of six Sunday afternoon contests this week beginning at 2:30 p.m. on the Cranbrook field.

## Cranbrook Team Loses First Game In Soccer Play

The Cranbrook soccer squad met its first defeat in four starts, Saturday, Oct. 18, against Shady Side Academy at Pittsburgh. Despite the fact that the ball was in enemy territory during most of the game, the Crane offense was unable to get the better end of a tight 3-0 score.

Shady Side started the scoring with goals by Streen and Repp. Right inside, Grant Griswold, marked one up for Cranbrook and the first half ended 2-1. Griswold scored again in the second half, tying it up, but Warren of Shady Side put his team ahead again with what proved to be the last goal of the game.

Cranbrook will next face Western Reserve Academy of Hudson, Ohio, on their field Saturday, Oct. 25, at 1:30 p.m.

## High Organizes For Torch Drive

The defense council held a meeting recently to plan the Torch Drive in high school.

There was much discussion as to how the Torch Drive would be handled this year. The council decided that rather than have the drive on a class competition basis, it would try to make the students aware of the needs of dependent organizations.

It was felt that instead of setting an arbitrary goal, such as a dollar per student, each person would be asked to give as much as he or she could afford.

A committee was then set up to organize and advertise the Torch Drive. The committee decided that donations this year would be collected in boxes in home rooms.

The Torch Drive started Monday.

## Parents Briefed On High School

Designed to acquaint the parents with the school and the teachers, a tea for freshmen mothers was given in the little theater of Birmingham high school recently and was attended by 220 mothers.

The program was under way with a talk by Lieutenant Henry Timm of the Birmingham police department, who spoke on teen-age driving permits and the number of accidents caused by minors. Ross A. Wagner, principal, followed, speaking about the school program as a whole and the importance of a good scholastic record.

Other speakers were Mrs. Joyce Diaz, freshman and sophomore guidance counselor, who talked about the methods of testing and the social activities in the school, and William E. Clarke, also a freshman and sophomore counselor, who discussed schedule planning. A question and answer period was held immediately following the speakers.

The meeting then adjourned to the freshman homeroom mothers, organized the program and Mrs. H. T. Stubbs was chairman of the tea.

The advisors believe the fine turnout indicates much parental interest.
