Dear George:

Having been informed that the Federal Aid Highway Act of 1952 has become law, we wish to take this opportunity to congratulate you on a job well done. Your part in the highway field as well as your awareness of the great necessity of better highway facilities to meet the needs of our increasing traffic.

We know and appreciate the efforts and success you have had with the various committees in bringing to a successful conclusion the present legislation.

With best wishes, we are,

Yours very truly,

**DONDERO FOR BETTER ROADS**

Dondero introduced legislation and fought thru its passage, making available Federal Aid to our local Road Department. \$575,000 already spent on black topping and bridges. Many of our roads were in such condition due to war use that another winter without this aid would have been their complete ruin.

**Could You Go Broke? State Could Too!**

Michigan is nearly broke. During the last four years under a Democrat governor, the State has spent 89 million dollars more than it took in.

You and I can't spend more than we take in without going broke. Neither can the State!

That's Fred Alger's solution to the State's financial crisis—
