

Pottery Classes Start For Juniors On September 26th

Mrs. A. K. Toepfer has announced that registration is now open for her fall series of children's pottery classes. The classes, similar to the summer sessions where boys and girls up through junior high school did free-form molding on the wheel, will begin September 26. The group will meet in Mrs. Toepfer's studio in her home, 839 Knox street, after school on Thursdays and Fridays. Assisting Mrs. Knox will be her two daughters, Adele and Gail, third and fourth graders.

B'ham Newcomers' Club To Meet Next Thursday

The Birmingham Newcomers' Club will open the fall season with their regular monthly meeting September 18. After a 12:30 p.m. luncheon at the Community House, the group will hear Mrs. P. C. Garrison of Franklin relate some of her experiences in South America.

MR. AND MRS. JOHN ROGER SPENCER

John Spencer Claims Bride In Grand Rapids Ceremony

The altar of St. John's Evangelical and Reformed Church of Grand Rapids was banked with white gladioli and candelabra for the August 23 nuptial of Charmaine May Chinnow and John Roger Spencer.

The Rev. Theodore S. Muchmuer officiated at the candle-light double-ring ceremony. Mr. and Mrs. Emil F. Chinnow of Grand Rapids are the parents of the bride. The groom is the son of Mr. and Mrs. Louis M. Spencer of Bloomfield Hills.

THE BRIDE chose a gown of white nylon marquisette and net over tulle, fashioned with a fitted bodice which featured a portrait neckline and long sleeves tapering to points over her wrists. A long pleated, Swiss with a hand of tinted pink tulle embroidery, completed the full skirt

which extended into a chapel train. Her fingertip veil of French illusion tulle was held in place by a bonnet bordered with folds of tulle and caught with triple strands of seed pearls. The bride carried a cascade bouquet of lilies and fleur d'amar.

THE BRIDE'S SISTER, Mrs. Ervin E. Schram, was her matron of honor. She and the bridal attendants were gowned in nylon marquisette over tulle in a daffodil shade.

Plated sleeve stoles formed portrait necklines, and their pearl-shaped bodices fell into bouffant floor-length skirts. The honor attendant carried a pale lavender glamecia cascade bouquet. Orange glamecias formed the bridesmaids' bouquets.

Attendants included the bride's sisters, Betty J. Chinnow of Detroit, and Dorothy E. Chinnow, Mrs. Jack S. Swets of Detroit and Arlene TenHoor.

ROBERT L. SPENCER was his brother's best man. Seating the guests were Ervin E. Schram, Albert Kalka of Flint, George Dalmann of Holland, and Albert MacPhail of Ann Arbor.

Following the ceremony a buffet reception was held at the Rowe Hotel. Mrs. Chinnow greeted guests in a waist-length gown of grey chiffon over tulle. She wore pale mauve accessories and an orchid corsage.

For her son's wedding Mrs. Spencer wore a waist-length gown of apple-green tulle with a pale pink glamecia corsage.

The newlyweds left for a month wedding trip to Glacier National park and the Rocky Mountains. After September 25 they will make their home in Ann Arbor.

For traveling the new Mrs. Spencer chose a light tan suit with beige and brown accessories and a lily corsage.

Altar Society Starts Season With Meetings

The guilds of the Holy Name altar society will resume their fall schedules with next week's meetings.

ELECTRIC POWER to keep America free!

Electric power is the world's most productive worker . . . economical, efficient, and so much in demand that American homes, farms and factories are using over twice as much today as they did in 1940—nearly half of the entire world's output.

Electricity is indeed a basic resource for American industry and the power behind America's Production for Freedom.

ATOMIC ENERGY...

Detroit Edison and Dow Chemical engineers, working as a team, are now searching for ways to harness atomic energy for the production of electricity. They are trying for even better ways to serve our electric power area and the nation.
