Customers' Corner

We "fall to" for Autumn...
Hardly seems possible that the first day of Autumn pops up next Monday, does it?
Yet your A&P has been planning and working for months to meet your Fall food needs. Cooler days mean sharper appetites... different menus. And, as always, your A&P is ready... with thousands of different items... to bring more good food to more people for less money.

When shopping at A&P, if you fail to find an item that you particularly like, please tell your friendly A&P Manager... he'll do his best to have it for you shortly.
