

Insurance should be tailor-made

Let us measure your insurance needs

Insurance has become more of a science than it was years ago. There are more kinds of protection now, and there are combinations of policies that can be made—often at a great saving.

There are new protections that you may not know about. Your insurance against many possible disasters may now be inadequate, in view of increased replacement costs of property. Even damage suits are bigger now.

Let us survey fully your current needs for protection against fire, wind, theft, embezzlement, accidents, damage suits, interruption of business and other risks.

FORD'S FIRST with the MOST!

FIRST in POWER!

Ford's 110-h.p. Strato-Star V-8 is the most powerful engine... the only V-8 offered in a low-priced car! Ford's 101-h.p. Mileage Maker Six is the industry's newest, most modern Six!

FIRST in RIDE!

For the first time, in the low-price field, you can enjoy a truly fine-car ride! Ford's new Automatic Ride Control with its diagonally mounted rear shock absorbers and new spring suspension gives you a bump-leveling, highway-hugging ride.

FIRST in STYLE!

This longer, lower style leader has the newest, most advanced body in the industry! It's styled to stay beautiful for years, and it's quality-built to stay young.

FIRST in CHOICE!

Ford offers the widest choice by far in the low-price field. 18 models... 11 body styles... 2 engines: V-8 or Six... 3 transmissions: Fordomatic, Over-drive or Conventional... and the most body, upholstery and color combinations.

FIRST with the NEWEST!

You'll find Ford has made more advances for '52 than any other car in its price field. You get new features like Power-Pivot Clutch and Brake Pedals, suspended from above, to allow more foot-room, eliminate dusty, drafty floor holes. You get Center-Fill fueling for easier gas filling from either side.
