**Boarding School
Comedy In April
Set By Cranbrook**

Fresh from England comes Ergasterion's new farce "Happiest Days of Your Life", to be presented on Friday and Saturday, April 24-25, in the Cranbrook Auditorium under the direction of Carl G. Wonnberge and Warden McCalm.

The swift-moving, wise-cracking comedy of English boarding school life centers the adventures of two schools; one male and the other female, which, because of war-time displacements happen to be housed together through a mistake in the Ministry. The attempts to keep scandalous goings-on from spreading to the parents of both institutions keep the faculty harassed and the audience in stitches.

Planned for warm weather fare, this farce from the Apollo Theater in London and the pen of John Dighton, a young former music hall writer and Oxonian thespian, is paced for speed. It will feature all of Ergasterion's Cranbrook's dramatic club, and girls from the Cranbrook Summer Theater school.

A separate cast is planned for each night, with Robert Whitlatch of 707 Lakeview, Birmingham, Jim August, and Ralph Himmelhoch heading one group and Buddy Moore, Tom Roberts, and Ward Just the other.

A brief musical score has been added to the English play by the director.

**Troy Band's First
Concert Tonight**

The Troy Township High School band is presenting their first annual concert at Troy High School on Thursday, April 2 at 8:00 P.M.

The feature event of the evening will be the performance of Leizner's "The Trumpeters". The members of this quartet are Neil Mullins, Dennis Tino, Carol Hinton, and Ralph Darby.

The band is under the direction of Mr. Raymond Schultz.

**Parking Violations
Decreasing At High**

To keep students from parking illegally, the parking lot committee at the high school takes license numbers and then calls on the police. Violators are given \$4 tickets. Six tickets were issued the first week and the second week no tickets were issued.

Students on the parking lot committee who were inspecting for the past two weeks are Ellen Lewis, Carol McLesee, Ann Borchert, Bob Gasser, and Don Babbitt.

Engineers Speak To High Students

Birmingham high school seniors attended an engineering conference at the Rackham Memorial building in Detroit last week.

Over 40 well-known engineering firms and chemical institutes were represented in this conference sponsored by the Engineering Society of Detroit and the Detroit Board of Education.

Dean Brown of the University of Michigan School of Engineering gave the main address in which he stressed minute accuracy in mathematics.

After the address, students were given time to visit with the many representatives.

Birmingham seniors at the conference along with students from all over the Metropolitan area were Bob Leland, Phil Kelly, John Hickman, Larry Coleman, Jim Berger, Keli Fowler, Cal Atwood, Dave Gilchrist, John Cox, Ralph Crawford, Illego Strub, Jim Oster, Fred Bevis and Tom Strub.

Poor Little Hill!

You're looking at a very discouraged hill! Ever since that ribbon of paving outlined it, it has been a challenge to motor cars.

For miles and miles it winds up the side of a mountain, and it has sharp curves, and steep grades that spring out of the curves so a driver can't get a start.

Halfway up, there's a watering place—put there so drivers can stop and refill their radiators.

Yes—it has been quite a hill. But not any more!

The driver of the car in the picture above took off at the base and sailed right up to the top—and never gave it a thought.

You see, he's driving a 1953 Cadillac—

with its great 210-horsepower engine—and its vastly improved Hydra-Matic Drive.

We heard recently of two men who drove from Florida to Detroit—in a 1953 Cadillac.

The driver of the car had made this trip before—and as they left Knoxville he said to his passenger: "Man, are we going to find a hill between here and Lexington?"

After an hour or so, the passenger said: "Where's the hill?"

And the driver said: "Just wait!"

So they waited—and presently they saw a sign which read: "Lexington."

The driver was simply dumbfounded.

"I just can't understand it!" he said. "There *used* to be a hill there—a big one!"

Naturally, this great car gives you more than the ability to master hills.

When you float along with a tremendous reserve like this, you have the smoothest, quietest, easiest ride it's possible to imagine.

It makes the whole car a symphony in motion. In fact, the ride is so soothing and relaxing that, not infrequently, passengers sleep as they ride.

Come in and try it for yourself. The car is waiting—and it's an experience you can't get to forego.

Very Important To You!!

Frank L. Doty, Circuit Court Judge
George B. Hartrick, Circuit Court Judge
H. Russel Holland, Circuit Court Judge

**Oakland County Attorneys
Favor Re-election of Judges
Doty, Hartrick and Holland
by Better Than 4 to 1!**

In a secret ballot just taken, Oakland County Attorneys who are qualified to know the requirements of an able Judge, voted 4 to 1 in favor of the re-election of Judges Doty, Hartrick and Holland on April 6th. As a citizen and taxpayer interested in maintaining honest and qualified public officials, I urge all voters to cast their ballot for the re-election of the above three judges.
