Spanish club members are starting to write to students in Spain and Central America under the direction of Miss Virginia N. Lewis, teacher. This Tuesday night they are gathering at the home of Carol Black for a meeting and dessert.

Recently KST took in honorary members at the home of Bill Hayes. The new members are: Mrs. Hank Curtis and Bud Satteria.

The annual March pow-wow for home scouting was held in Berkeley. Approximately 50 girls from nine troops in this area attended. They discussed canoe and camping trips for this summer and listened to a fashion speaker. The Birmingham troop is planning a camping trip for the week-end of April 17 on the Huron river. This Saturday the girls are going to see Helen Hayes in "Mrs. McThing".

A surprise would be given, it is announced, to the member who arrived on time to the Sapphire meeting this week. The winner was Virginia Wagner and the reward was food. The meeting was at the home of Jo Teitz.

Radio workshop club members have been working on rehearsals under the direction of Angela Anzolechi. Their first broadcast was last Tuesday.

Cite Performances Of Musical Groups At Dist. Festival

"My only suggestion is to keep doing the same kind of work and Michigan will be tops chorally" was the comment of Maynard Klein, one of the adjudicators at the district choir and glee club festival recently at Royal Oak.

This year the high school went the choir, glee club, three ensembles, and two soloists to the two district music festivals, one for choir and glee club at Royal Oak and the other for solo and ensemble at Pontiac.

At Royal Oak this year no individual ratings were given. Each of the three adjudicators filled out a comment sheet and voted whether or not the group could go to the state festival. Both choir and glee club received a unanimous vote to state but neither will attend. Adjudicators were Mrs. John and Mrs. Martha White, and Haydn Morgan, who will conduct the choir later this year.

At Pontiac, the Tuesday ensemble and Barbara Gowans' piano solo received superior ratings. Wednesday and Thursday ensembles and Sue Brown's soprano solo received excellent ratings.

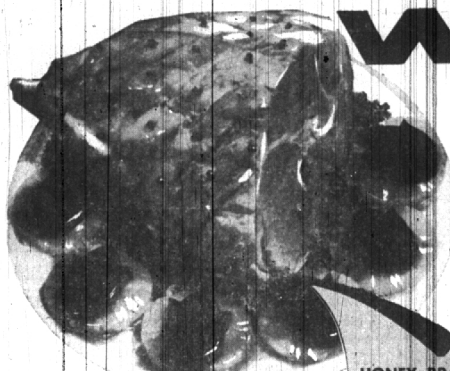

Accompanists for glee club and ensembles were Barbara Gowans, Carolyn Hamilton, and Sally Schlichter. Barbara Gowans accompanied choir. All groups were under direction of Victor Ditch, Birmingham vocal music instructor.

First grade news—We have started a unit on weather in science. We shall watch weather predictions and maybe make some ourselves, and then watch to see if the weather is the same as the predictions.

Second grade—We have a new girl, Carolyn Sanborn, in our room. Third graders—We are starting to make our mothers gifts for Easter. It is a secret, so we can't tell what we are making.

Fourth and fifth grade—We have another new child in our room, David Sanborn. Fifth and sixth grade—This morning we had a spelling in assembly to determine the school champion. It was a hard fought battle and all deserve a lot of credit for their efforts. The final winner was Paul Zimmerman, sixth grade, and the runner up was Billy Noch, fifth grade. The deciding word was "pattern".
