## Use the Waste Space in your Attic and Basement!

## NEW! CRAFTSMAN GRADE Weldwood Plywood "Makes" a Room Anywhere!

You don't have to wait any longer to add that extra bedroom or two in your attic—or a handsome playroom in your basement!

is made in birch, oak, walnut and other handsome woods that harmonize with all styles, colors and fashion trends. It's more than that, though. It's something every home owner has long wanted—a low-cost, structural and decorative wall material that never has to be painted or repaired. It doesn't even have to be cared for. Once installed in any room, Craftsman Grade Weldwood is guaranteed to last the life of the house.

We can show you how you can do it—at modest cost—with beautiful, lifelong wood panels of Craftsman, Weldwood Plywood. If you want we will show you how easily you can do the work yourself.

Stop in and ask to see samples. Craftsman Grade Weldwood Plywood is 1/2" thick in big panels up to 4 ft. by 8 ft.
