BUNGALOW - TYPE OLDER HOME WANTED

"The Ballooned Price of the Older House is Deflating." (Wall Street Journal Survey.)

"To owners who are no longer "dreamers" and particularly those who have had their property kicked around by themselves as well as by several employers, with a marked lack of success, greetings: There's an old saying that a property is worth what someone is willing to pay for it. If the water is squeezed out of yours and the price definitely right, I have cash for all of the "real equity" and will pay for my own use and occupancy with minimum of haggling.
