
NET RESULT IS SAFETY—Ducking for cover behind a camouflage net set up in the Trieste area, Cpl. Lyle Nebb of Caley Center, Nebraska; Pfc. William Decker of St. Mary's, Pa.; and Pfc. Lonny Fulton of Chickasha, Okla., make ready with their recoiless rifle during "Exercise Frosty" maneuvers. Members of the Second Battalion, 351st Infantry, the Americans are practically invisible behind the well-draped net.

Dr. Calhoun's Testimonial Dinner Tonight

Many recovered polio victims who were patients of Dr. Ethel T. Calhoun have been added to the list of those planning to attend the testimonial dinner in honor of the popular local Sister Kenny physician in First Baptist Church in Birmingham tonight.

Due to unusual interest in the affair, additional items have been added to the program.

D. E. Jordan, 1907 Villa, representing former patients of the Elizabeth Kenny Center near Pontiac, will express the appreciation of polio victims for Dr. Calhoun's efforts.

FRANK RISING, recently retired city commissioner, is scheduled to present the formal resolution adopted by the Birmingham City Commission at Monday night's meeting. The resolution outlines the outstanding work of Dr. Calhoun and expresses the city's gratitude for her decade of service in this community.

Dr. Neil H. Sullenberger, Pontiac physician who has been associated with Dr. Calhoun's work at the Kenny Center, will be a speaker at the dinner. Judge Carl Weideman, Wayne County Circuit Court, will deliver the tribute from officials of the Michigan Sister Kenny foundation.

Since 1942 when she first met the famed Australian nurse, Sister Elizabeth Kenny, and began studying under her direction at Minneapolis, Dr. Calhoun has devoted all her time and energies to battling the dread polio disease in Michigan.

UNTIL 1935 when a section of the Oakland County Contagious Hospital became officially known as the Sister Elizabeth Kenny Center, Dr. Calhoun served at the hospital without financial compensation for her services. When the Kenny Foundation of Michigan was formed and assumed control at the hospital, Dr. Calhoun was appointed its medical superintendent and still acts in that capacity.

Her fame has spread through hundreds of recovered patients beyond the confines of her own state of Michigan.

Adults and children, stricken with polio, have come from Mexico, South Africa, Canada and several other states in the U. S. to get the Kenny treatment under Dr. Calhoun.

TONIGHT'S testimonial dinner at 6:30 is being sponsored by the Birmingham Woman's Club with the assistance of members of the First Baptist church. Proceeds in excess of minimum costs will go to the Kenny Center for purchasing needed equipment.

George B. Finch, 2180 Latham, vice president of the Jam Handy Organization, will be toastmaster at the dinner. City and county officials, prominent members of several civic groups, representatives of the hospital staff and the medical profession and former patients and their families are expected to attend.

Mrs. Wilber Johnstone, project chairman of the Woman's Club, has organized the testimonial dinner. She is being assisted by Mrs. Edwin Minks, Mrs. E. D. Sheley and Mrs. W. L. Moreland.

In private life, Dr. Calhoun is Mrs. R. H. Wattlatch and resides at 707 Lakeview.

$1,033 Contributed To County Society For Crippled Children

Special activity by the Birmingham Rotary club has resulted in a total of $1,033.24 collected for the Oakland County Society for Crippled Children, reports Matthew Cammareri, the club's Easter seal chairman.

This amount includes Saturday's street sales of Easter lilies, store canisters, club-members contributions, and a special $59.50 check from John Riccardi of Detroit, a friend of Cammareri's.

The check will purchase a wheel chair for some crippled youngster, Cammareri said.

Last year the club raised $690 for the county society.

Ordinance Changes Get Tentative Nod

Birmingham city commissioners have given tentative approval to the city plan board's recommendations for two zoning ordinance changes and referred the changes back to the plan board for public hearings.

The ordinances would cut the number of roomers and boarders permitted in each home in residential areas from five people to two people and would also deny professional offices, trades and other occupations from being operated in private homes in single family areas and permit these uses only in multiple-dwelling zones.

$4,500 Offered For 3 City Lots

An offer of $4,500 for three city lots on the northeast corner of Derby and Norwich has not been accepted by the Birmingham city commission.

Instead, commissioners referred the proposal to City Manager D. C. Egbert with the suggestion he obtain appraisals of the property and outline methods of offering the lots for sale.

The $4,500 bid was made by W. W. Raymond of Walsh, James & Wasey Co.
