

BEFORE LEAVING SCHOOL for the Easter vacation, members of the fourth and fifth grades at Vaughan School had an Easter parade and a hat contest at the same time. Pictured above are the school winners from each room and one could find everything from raw cabbage to a dust mop in the array of comical hats. (Eccentric Staff Photo)

### Washington Group To Return Friday

When Birmingham High school members of the Washington group return from their trip to the Capital and New York City tomorrow, they will have enjoyed eight days of sightseeing and entertainment.

The first day in Washington, D.C., the group toured the capital building, supreme court, Washington monument, Polzer Shakespearian library, Library of Congress, Pan American building and the Lincoln Memorial.

The following day the group took Mt. Vernon, Annapolis, and Old Point Comfort.

Later morning they attended sunrise services in the Chamberlaine Hotel at Old Point Comfort and later visited Jamestown, Yorktown and Williamsburg. At Norfolk the group boarded a steamer for the return trip to Washington.

BACK IN Washington they toured the White House, Washington Cathedral, Rock Creek park, Smithsonian Institute, National Museum and the National Gallery of Art. The night the group left by train for New York city where they visited Broadway and Times Square.

Lower Manhattan and LaGuardia airport were first stops for students the following morning. Later in the day they visited upper Manhattan and attended water fire theater or the Latin Quarter that evening.

A tour of Radio City, Rockefeller Center and a boat trip around Manhattan Island rounded out the last day in New York.

Today the group was to stay at Niagara Falls, New York and will return to Detroit Friday evening.

### WALNUT LAKE NEWSLETTER

Undergarten—We are getting ready for first grade. We are learning lots of things that will help us be first graders.

First grade—We made Easter cards to take home. We have started to measure things with rulers and to learn the value of measure units.

Second grade—We have been making posters for the next PTA meeting. They will be put on during our vacation in all Walnut Lake stores. We colored Easter eggs.

Fourth and fifth grades—Gordon Jozig has gone to Florida. We are glad to have Karen Overgard back in school.

Fifth and sixth grades—We feel very rich this week because we won the PTA award of \$1 and another dollar for our efforts in the paper drive. There has been discussions to how to spend it for the good of all. Finally it was decided to buy new slides for our Vespermaster.

AT THE AWARD assembly Peggy Sloat, school council president, turned the meeting over to David Smith, members of the school council of last fall sat on the stage. David Smith introduced Billy Noch and Paul Zimmermann, who had charge of the magazine subscription drive. A representative of each grade called up the magazine subscription award winners in his grade. The awards were presented by Billy and Paul.

The following committee carried the stage to be recognized for their work on the paper drive: Fred Hamilton, Terry Roberts, Linda Jackson, Linda Myers, Benjamin Bandward, Lynn Roberts, and Roy Hamilton. Paper drive awards were presented to the classes of Miss Peasley, Mrs. Triff and Mrs. Ilus Jander.
