Plans for the 1953 Kirk-in-the-Hills art show got off to an enthusiastic start last week at the home of Mr. and Mrs. Karl Scott on Birmingham roads in Birmingham, where the first organizational committee meeting was held. Mr. and Mrs. Scott, general chairman, with the assistance of co-chairmen Mr. and Mrs. Ray Paul, of Commerce, Mich., hosted an Mexican supper served to the 26 committee members, some of whom were Wing Laker.

The art exhibit this year will be a jury show, all entries to be screened as to selection. The exhibition is tentatively scheduled for late this summer, exact date to be announced later. It will be remembered that the 1952 art show at Kirk-in-the-Hills, for an initial venture, was a phenomenal success, attracting widespread recognition and chiding up an attendance of 6,000 visitors during its three-day run last September.

A few days prior to entertaining the art show committee, Mr. and Mrs. Scott are holidaying in Fort Lauderdale, Fla., where they visited their daughter Cynthia, aged 13, who is attending Fincrest School there.

Saffell, of Birmingham; on March 28 a linen shower was given by Mrs. Al Grigg, of Franklin; a tea and miscellaneous shower on April 4 at the Birmingham residence of Mrs. Carl Thomas Baumann, Jr.; on April 7 a shower luncheon at the Detroit Golf club by Mrs. Donald A. The exciting prospect of a month in Mexico will soon materialize for Mrs. Miriel W. Lane, of Wing Lake, and daughter Joan, on April 13 they leave by motor for Mexico

City where they will headquarter, with Acapulco and other points of interest on their itinerary. Mrs. Lane hopes to do a little research for her hobby of silver working in those Mexican towns famous for their handicraft in silver. This interest stems from the silver-smithing course she is taking under Miss Anderson at the Birmingham Community House.

A report from Mrs. Frank Perneck, of Franklin road, leader of Den 6, reveals that the use of a small building by Cub Scouts has been donated by Harvey Vachon, of W. Maple road, Wing Lake. The child-block structure was formerly a well-house on the old Sly farm orchard. The Cubs plan to build all their own equipment, work benches, chairs, etc., and are looking forward to inviting other local dens this summer when the furnishing projects are completed.
