GUN-MANNING GIRLS—Guarding the ancient "Pillars of Hercules" for Great Britain, these pretty English girls are among the first ever assigned to fighting duties. Stationed at Gibraltar to "man" an aircraft predictor are, from left to right: Lance Cpl. Grieg, and Privates Bull and Taylor. Members of the 46th Heavy Anti-Aircraft Regiment, they are "top men," according to comrades in her Majesty's service.

FAST "STEPPING" PARAPLEGICS—Rolling through intricate twists and turns of a fast-moving square dance, pretty paraplegic co-ed Bruce Aldenderfer of Wakegen, Ill., is swung by her partner, Marvin Berren, of St. Marys, O. Both are students at the University of Illinois and participate in a special program for paraplegic college students. Looking on are two fellow wheel-chair occupants, also of Illinois, and a dance fellow of Edwight, W. Va.
