LEGAL NOTICES

ORDINANCE No. 440
DUTCH ELM DISEASE CONTROL ORDINANCE

AN ORDINANCE TO PROVIDE FOR THE CONTROL OF THE DUTCH ELM DISEASE, SO-CALLED, TO DECLARE TREES INFECTED THEREWITH A NUISANCE, TO PROVIDE FOR THE REMOVAL AND DESTRUCTION OF ANY DISEASED TREES, TO PROVIDE FOR ASSESSING THE COST OF SUCH REMOVAL AND DESTRUCTION AGAINST PRIVATE PROPERTY WHEREON SITUATED, TO PROVIDE FOR THE INSPECTION OF TREES ON PRIVATE PROPERTY TO DETERMINE THE EXISTENCE OF SAID DISEASE, AND TO PROVIDE FOR PENALTIES FOR VIOLATIONS HEREOF.

THE CITY OF BIRMINGHAM ORDAINS:

Section 1. Trees of all species and varieties of elm, including American and planers affected with the fungus **Ceratostomella ulmi**, as determined by laboratory analysis, are hereby declared to be a public nuisance, and shall be removed and burned within ten days following the notification of the discovery of such infection. It shall be unlawful for any person, firm or corporation, being the owner of property whereon such a tree is situate, to possess the same after the expiration of ten (10) days following notification of the discovery of said infection.

Section 2. Trees or parts thereof of elm, infected with the fungus or in such condition that may serve as breeding places for the European Elm Bark Beetle, **Scolytus Multistriatus**, are hereby declared to be public nuisances, and it shall be unlawful for the person, firm, or corporation owning property wherein the same is situated to possess or keep the same.

Section 3. The City Forester is charged with enforcement of this ordinance, and to that end may enter upon private properties at all reasonable hours for purposes of inspection and examination, and may remove such specimens as are required for purposes of analysis to determine whether or not the same are infected. It shall be unlawful for any person, firm or corporation to prevent the City Forester entering on private property for purposes of carrying out the duties hereof, or to interfere with such City Forester in the lawful performance of his duties hereunder, and this ordinance.

Section 4. If trees on private property are found to be infected, the City Forester shall give to the owner of the premises where such tree or trees are located, written notice of the existence of such disease, and requiring the removal and burning of that tree within a period of ten days following such notice, such removal and burning to be under the supervision and inspection of the City Forester. Such notice shall also require that all wood and debris that is unless such tree is removed and burned in compliance with the terms thereof within such ten days period, the City will proceed with the removal and burning of such trees, and assess the cost thereof against the property in accordance with the provisions of Chapter X of the Charter of the City of Birmingham.

Section 5. Service of such notice shall be by personal service, where the owner of said premises is a resident of the City of Birmingham; where the owner is a resident of the City of Birmingham, said notice shall be served by registered mail addressed to said owner at his last known address as shown on the records in the office of the City Assessor of the City of Birmingham, and if said location at least one time in a newspaper of general circulation in the City of Birmingham.

Section 6. It shall thereupon become the duty of the owner of such premises to cause such tree to be removed and burned, under the direction and supervision of the City Forester, or his authorized deputy or employee. In lieu thereof, the owner charged with such removal and burning may request that the same be done by the City Forester, if the City shall remove and burn any tree, all expenses incurred in connection therewith shall be reported to the City Commission for assessment against the lands whereon such trees were situated, in accordance with the provisions of Chapter X of the Charter of the City of Birm
