Popular Ground Beef Shines In Thrifty Meat Loaf Menu

Ground beef is a "friend in need" to the thrifty-conscious housewife. It's economical, easy to prepare in a number of delightful dishes and has the same fine flavor as the choicest beef cuts.

During these days of beef plenty, there's lots of ground beef around, ready for use in rich flavored casseroles, good tasting skillet dishes and tender, juicy meat loaves.

The homemaker who makes a really topnotch meat loaf is popular with her family whenever she serves this economical dish. Here's a recipe for an unusually good meat loaf which was chosen from a group of loaves tested. It scored high because of its good flavor, juiciness and sliceability.

- MEAT LOAF MENU**
- 1 1/2 pounds ground beef
 - 1/2 pound ground pork
 - 1 cup finely chopped onion
 - 2 teaspoons salt
 - 4 teaspoon pepper
 - 2 teaspoon sage
 - 1 teaspoon poultry seasoning
 - 1 tbs. Worcestershire sauce
 - 2 eggs
 - 1 cup tomato juice
 - 4 slices bread
- Combine meat with onion and seasonings. Beat eggs and add tomato juice. Cube bread and soak in the liquid mixture. Beat well. Add to meat and mix lightly. Pack into 5 x 9 inch meat loaf pan and bake at 300° F. for 1 1/2 hours.
- Let loaf stand for 10 minutes, then drain off liquid and turn out of pan. Spread with catsup or hot tomato sauce. (If desired, loaf may be spread with 1/2 cup catsup before baking. This adds moisture and interesting flavor).

CHANGE-ABOUTS
There are so many ways to vary

meat loaf that you can serve it often without being repetitious. Here are some suggestions:

Vary the meat: Use 1/2 pound ground pork shoulder, 1/2 pound ground veal and 1 pound ground beef; or use 1 1/2 pounds ground beef and 1/2 pound ground bologna.

Vary the seasonings: Use dry mustard, thyme, horseradish or pickle relish.

Vary the liquid: Use catsup, chili sauce, tomato sauce or canned soups.

Vary the toppings: Spread loaf with chili sauce or thick barbecue sauce before baking.

Vary the shape: Bake meat loaf mixture in muffin pans or ring mold. Or shape into individual loaves and spread with tomato sauce before baking.

Try using uncooked-rolled oats in place of bread in the meat loaf.
