

Third Entrance To Maple Station Reviewed By City

A request to cut a third entrance at West Maple to the Shell Oil station at Maple and Hunter Monday night caused city commissioners to review the curb cutting ordinance and instruct City Attorney Forbes Hascall to write a board of appeals clause into the ordinance.

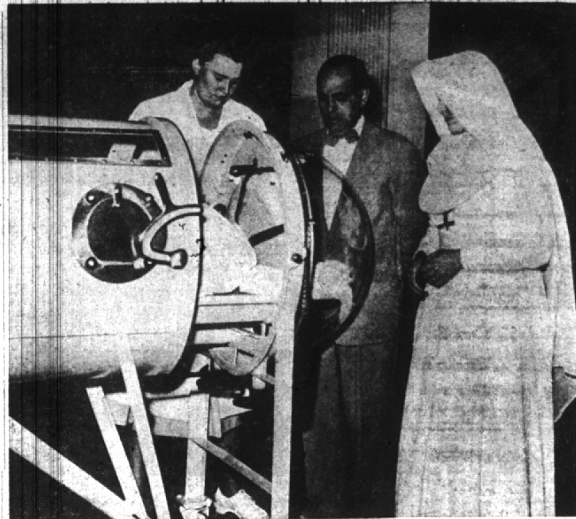

The Shell Oil company recently leased a lot adjacent to the station property for parking and to gain additional room for an entrance and exit to the station. They seek an entrance on this lot.

City engineers hold that an additional 27 foot entrance would be in violation of the curb cutting ordinance in that the total of the three driveways on West Maple would be in excess of the 60 per cent of frontage allowed for curb cuts.

Commissioners agreed that in this instance following the letter of the ordinance would effect a hardship on the users of the land and asked Hascall to include a clause in the ordinance that would allow the property owner to appeal to the board of appeals for relief.

One of three iron lungs ready to help polio patients.

Getting Set for Polio Season

"An abundance of personnel, specially trained in the care of polio patients, stands ready to answer the call in the event of an emergency in this area," Ruth Parshall, executive secretary of Oakland county's March of Dimes chapter said today.

Cooperating closely with St. Joseph Mercy hospital, Pontiac, she said the chapter has conducted an institute for 60 nurses who can be called upon to assist the medical committee headed by Dr. Harold R. Roehmann and Dr. Robert J. Mason. Mrs. Parshall said three iron lung respirators are at the hospital with others available from nearby National Foundation depots if needed.

A NEW Emerson dome iron lung has been given to the Foundation by the Hotel Park Racing association. Additional equipment includes two rocking beds, one a gift from the Ferndale Exchange club and a portable lung respirator purchased by the Foundation. Heter Belmontier of Farmington, chapter chairman emphasized that no polio vaccine is ready for use this summer and that the supply of gamma globulin is critically short.

"Polio probably will present much the same problems this year as it has in the past," he said. "MOST PEOPLE are more aware of polio symptoms and so, by early diagnosis, we will be able to catch more cases before they have had a chance to become serious. 'Suspect' or non-paralytic cases can be treated in the homes, easing the burdens of hospitals."

"We cannot foretell the number of new cases that will be added to the patients lists of our chapter, but the National Foundation will not fail anyone who needs help."

Men's Clubs To Resume Community House Meets

Five men's clubs of Birmingham will resume Community House meetings after the summer vacation. When the House opens, Sept. 8, they will find members of the Kiwanis club ready to take over for their regular evening program, and dinner that night.

The following day, Sept. 9, the Lions club will meet for their regular weekly luncheon. Sept. 14 will see the resumption of the Rotary club luncheons and the first fall dinner meeting of the Birmingham High Twelve. The Exchange club will begin its fall and winter program with their luncheon on Sept. 15.

PVT. WILLIAM H. HENNING, son of Lester A. Henning, 1048 Ridgedale, has completed Army basic training conducted by the 3rd Armored Division at Fort Knox, Ky. Henning entered the Army on April 7 of this year.

Tractor Picnic Attracts 1,220 To Deer Lake

The Ford Tractor Division (Dearborn Motors) of the Ford Motor Co. held its annual employee family day at the Deer Lake Hill educational farm Saturday.

Food for the 1,220 included 500 pounds of hot dogs and hamburgers, 3000 bottles of pop, 2100 loaves of bread, 1000 cups of ice cream and 1000 bottles of milk.

Rides on ponies and the unveiling of the new Ford golden jubilee tractors were part of the entertainment.

Harold Ramm, of Dearborn, ran on a magic and puppet show while Bill Kane went strutting about grinding his hand organ while his monkey sat on top of it.

A scenic tour to Deer Lake was also part of the entertainment. It included a ride in a wagon pulled by a tractor down to Deer Lake. Two Fordson Major diesel tractors made by the Ford Motor Company in England, pulled a combine and a forage harrow in demonstration.

A MOVIE made by Ford to commemorate their 20th anniversary, "The American Road," was shown. It showed the development of road and their effect on American life as brought about by the invention and improvement of the automobile.

Guests at the open house visited the manor house, house where the sales and service trainees live while at the farm. The open house lasted from 10 a. m. to 5 p. m.

Chairman of the committee in charge was J. J. Mooney, industrial relations manager.

Wins Boxing Title (ans) Military Academy Summer School's regimental 100-pound boxing championship here today by defeating Richard H. Landis of Wing Lake, won the Culver (Ind.) Cedar Rapids, Iowa.
