There's a big, shiny golf trophy in the recreation room of the Paul Gariepy's Warwick road home, acquired on Aug. 20, when Gariepy and 30 pals from back in high school days competed in what they call the "Grand American Golf Tournament" at the Beach Grove country club, Tecumseh, Ont. The tournament has become an annual event, featuring swimming for the ladies while the men play golf, and a dinner for the whole group in the evening. As is usually the case, glory will be short-lived, however. The trophy must be relinquished at the end of six months to Bob Moons, co-winner, who keeps it until next year's contest.

Mr. and Mrs. Charles M. Rubly, of W. 14-Mile road, have returned from their cottage near Forest, Ont., where they spent the summer with their children, Marilyn, Larry, Paul and Christine. They arrived in time to have a final get-together with Rubly's parents, the Melson Smedleys, who left last Saturday for their home in Farmington, Fla., after summering in Michigan.

Plans are afoot now for the formation of a West Beverly women's bowling team. Mrs. Stewart S. Barton, association bowling chairman, is asking all women who are interested to meet with her at the Bloomfield lanes on Sept. 1 at 1:30 p.m., to make necessary arrangements.

Mr. and Mrs. Louis H. Blohm of Kirkshire road spent a weekend recently, visiting her sister, Mrs. J. H. Doherty, in Stratford, Ont. Back from a week's vacation at a cabin on Upper Herring lake, near Frankfurt, are Mr. and Mrs. Herbert Green, of Devonshire road, with their children, Cele, Frank and Carol.

Recent houseguests at the Grant I. Gee residence on Warwick road, were two sisters of Mrs. Gee and their families, Mr. and Mrs. Al Berning, and Mr. and Mrs. Jack Dierkes, and son Jack, of Fort Wayne, Ind.

Hugh Hemphill hung out the

"Gone fishin'" sign last week, and headed for Georgian Bay with a party of friends. In the group were A. G. Nancarrow, Robert Proctor and Douglas Finney of Detroit and Dr. Ormond S. Culp of the Mayo Clinic, who flew here from Rochester, Minn., for the trip. After obtaining a cruiser and guide at Tobermory, Ont., they fished the waters around Manitowish Island for a week. They brought back about 50 fish, including one 15-pound northern pike, caught by Dr. Culp.

Mrs. Alec Lindsay, and son, David, of Kirkshire road, have returned, with Mrs. Lindsay's mother, Mrs. Alvina Miller, from a few days' vacation at a cottage near Saugatuck. Mrs. Miller will remain with the Lindsays for a short visit, before returning to her home in Park Ridge, Ill.

The family cottage on Harsen's Island has claimed most of the leisure hours of the Andrew Rogersons this summer. Their Bedford road home has been only a place for a stopover between long weekends spent on the island. During a two-week vacation at the cottage recently, one weekend was given over to a Rogerson family reunion.

Glad tidings are emerging from the Herbert Wyatt household on Devonshire road, of the birth of twin grandchildren on July 22. The twins, a boy and a girl, were born to the Wyatt's daughter, Mrs. Bista Velich, Jr., of Indianapolis.

Two-year-old Kathy Ann Velich has just returned to Indianapolis after a month's visit with the Wyatts. Other recent visitors were Mrs. Wyatt's sister and her husband Mr. and Mrs. A. L. Anderson of Waukegan, Ill., who stopped by for two days last week, while en route to Mackinac Island. Back from the northland are the G. H. Pitts family of Kinross road. They spent two weeks at a cottage on Torch lake, and another week at Lumkin's lake shore lodge in Good Hart. Mrs. Norris Host, of Bedford road and son Bradley, joined them during their stay at Torch lake.

A son, Stewart Wilson was born August 22 to Mr. and Mrs. Lelloy W. Braisted of Purdy street. Mrs. Braisted is the former Alice Perkins.

MRS. W. WEBB WILSON

## Honeymoon in Canada for Mr. and Mrs. Webb Wilson

Gowns in shades ranging from pale pink to dusty rose were worn by attendants of Joan Elizabeth Robinson for her marriage to W. Webb Wilson. The ceremony was at 4 o'clock, August 22, at Christ Church, Cranbrook.

Joan is the daughter of Dr. and Mrs. Harley Robinson of Hickory Grove Road, Bloomfield Hills. Webb's parents are Dr. and Mrs. Charles W. Wilson of Detroit.

Conrad of Lansing, Robert Maldegan of Allen Park, and Henry Bolt of Memphis, Tenn. A floor-length gown of light blue Chantilly lace over tulle was chosen by Mrs. Robinson for her daughter's wedding and garden reception at home. Mrs. Wilson wore matching hat and dress of green nylon tulle.

The new Mrs. Wilson changed to a suit of sheer navy wool for their honeymoon to the Chateau Frontenac in Quebec.

Seed pearls and crystals edged the Chantilly lace and satin gown worn by the bride. Fashioned with boat neckline of illusion, the gown ended in a full cathedral train. Her three tiered illusion veil was held in place with illusion net cap also trimmed with seed pearls and crystals. She carried a bouquet of white orchids.

Mrs. Bruce Arden of Ann Arbor was matron of honor, assisted by Mrs. John Leesene of Ann Arbor, Joanne Jones of Oak Park and Lake Worth, Fla., and Gladys White of Grosse Pointe and Hay City. ### Police 'Get the Bird'

When Troy Township police sped to answer a call one day last week, that there was a prowler sneaking around behind the home at 1016 Larchwood, they didn't know what they would find. They were, nevertheless, surprised when the "culprit" turned out to be an underized 'stork', a muhlen, out for a nocturnal stroll.

# Keeps its value better than any other car!

Used car dealers report that Fords return more of their original cost than any other car—and there are 41 reasons why:

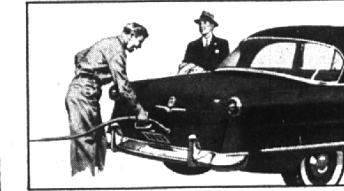

**Take power.** Ford's two high-compression engines are real leaders in their class. Ford's the only car in the low-price field to offer you the smooth power of a V-8 engine. And no other car in any field has so modern a Six.

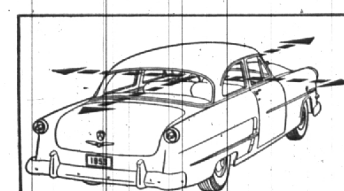

**Take build.** Ford's Crestmark body gives you style-setting beauty with rugged "build" underneath. Where many cars are bolted Fords are welded hull-tight to keep out rust-causing weather and dirt.

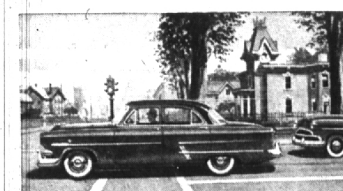

**Take ride.** Ford's wonderful, new ride reduces front end road shock up to 80%. And Ford's new spring and shock absorber action gives you the comfortable easy ride you want without gas-eating extra weight.

**Take savings.** Ford's Automatic Power Pilot saves you money on every gallon of gas. It automatically adjusts carburetion, ignition and combustion to make every drop of gas ("regular") at that work its heart out.

**Take visibility.** Ford gives you the "all-around" view you need in today's fast-moving traffic. A curved one-piece windshield, car-wide rear window and large "picture windows" give you Full-Circle visibility.

**Take drives.** Only Ford in its field gives you a choice of a completely automatic drive, Fordomatic, the finest, most versatile automatic you can buy... fuel-saving Overdrive... or easy-shifting Conventional.
