## New Chemicals Help Prevent Mildew Odors

Certain chemicals can be used to help solve the problem of mildew caused by warm, moist air.

Chalcium chloride is the old standby. However, it breaks down as it absorbs moisture and must be replaced. It also creates the problem of a "drip".

NEWER CHEMICALS available in most hardware stores, some notions departments and some drug stores are sold in bags and do not present the drip problem. These chemicals are sold under various trade names but your dealer should know what you want if you ask for the kind that doesn't drip.

These newer chemicals change color as they absorb moisture and can be reused if you dry them in the oven according to directions that come with them.

MUSTY ODORS which may also accompany moist, warm air present another summer problem to homemakers.

Drying out the house with heat or ventilation is the best answer. If the odor still persists, another chemical, chloride of lime, may help. It's a deodorant and disinfectant which may be sprinkled on basement floors and left until the musty odor disappears. Then sweep up the chemical, scrub and dry the floor.

Chloride of lime isn't suitable to use in contact with fabrics as it will cause them to deteriorate.

MRS. BARRY ARTHUR DUNNE

## Becomes Mrs. Barry Dunne At A High Noon Ceremony

Sylvia Doris Hagopian became the bride of Barry Arthur Dunne in a ceremony at high noon Saturday, August 1. The Rev. Norbert Oldigery officiated at the St. Anthony Shrine, DuSable College. The bride, daughter of Mr. and Mrs. Jack Hagopian of Middlesex road, stood at the altar in a floor-length gown of imported rose-pointe lace over tulle. The V-neckline was embellished with lace and pearls, and ruffles formed a sweep down the back of the gown.

Her Juliet lace cap held a fingertip veil of illusion, and she carried an arrangement of stephanotis and rubrum lilies centered with a white orchid.

In yellow nylon net floor length gowns with matching jackets were honor attendants Patricia Carlon and bridesmaids Gloria Bayhan, Nancy Howe, and Beatrice Johnson of Cleveland. They wore tiny veils and carried bouquets of blue delphinium.

THE GROOM, son of Mr. and Mrs. Richard Joseph Dunne of Evanston, Ill., asked Robert Noble Sillars, Jr., of Evanston to be his best man. Ushers included Robert Shetler of Chicago, Charles Forest Averill of Ann Arbor and Richard Hagopian, the bride's brother.

A reception at Barton Hills Country Club, Ann Arbor, followed the nuptials. Mrs. Hagopian greeted guests in an afternoon length gown of mauve organza highlighted with a pink hat and a deep purple orchid.

IN AN AFTERNOON length dress of gray organza and a pink hat was the groom's mother, Mrs. Dunne. A light pink orchid formed her corsage.

Out-of-town guests included Mr. and Mrs. Eugene Dunne of Wilmette, Ill., Mrs. John Learned and the Misses Evelyn and Rita Learned of Evanston, Judge and Mrs. Robert Dunne and daughter Carol.

Mr. and Mrs. Paul Nash and daughter Elaine of Goldengate entertained Jerry Baxter, Nash's nephew from Great Lakes Naval Training Base for the weekend.

Mrs. James Herbig and family and Mrs. Elwood Herbig of Goldengate moved last week to San Diego, Calif. where they joined Mrs. Herbig and will make their home.

Mrs. Garda Verecke of California was guest of honor, when Mrs. Stanley Dwork of Lathrup entertained at a luncheon for her last week. Guests included Mrs. Robert Dawson and Mrs. John Kinzler of Pontiac; Miss Agnes Kolinski, Detroit; Mrs. George Jaquillard, Mrs. Herbert Evers, Mrs. Alfred Kaufmann, Lathrup Blvd.; Mrs. William Kellogg, Chicago, Ill. and Mrs. Jack Wismer and Mrs. Charles Kaufman of Goldengate. Following lunch canasta was played.

We mean that literally.

Because that's all the money it takes to buy this great new 1953 Buick SPECIAL.

That's all it takes to boss its high-compression Fireball 8 Engine—now stepped up to the highest horsepower in Buick SPECIAL history.

That's all it takes to enjoy its still finer Million Dollar Ride—its full six-passenger roominess—its light-as-a-flyrod handling ease.

But if you're surprised at this news, we can't blame you a bit.

Most people are—when they learn that you can get Buick styling, Buick structure, Buick room and power and comfort and steadiness, all for just a few

dollars more than the cost of the so-called "low-priced three."

Add another happy surprise.

In this Buick you get a long list of "extras" at no extra cost—things like direction signals, dual map lights, twin sunshades, lighter, trip-mileage indicator, automatic glove-box light, oil-bath air cleaner, full-flow oil filter, bumper guards front and rear—things most other cars of similar price charge as extras.

So there you are—definitely able to move right into this big, broad, robust-powered Buick for a price you'd expect to pay for a lesser car.

Why not drop in on us to see and drive this honey of a buy? The rest we'll leave up to you.
