Let it be known that the many who will attend the second annual Bar-B-Que and round-up on the village green Saturday, Aug. 15, sponsored by the Franklin Community association, will be indebted to their unseen host, George Wellington Smith, for it is he who owns the 1 1/2 acres comprising the village green and the acreage surrounding. Prime developer of the Franklin area, Smith has graciously reserved this area for community use. A member of the Community association since its inception in the thirties, Smith has made the green available not only for association functions but also for Scout jamborees, Christmas activities, football and baseball for the youngsters, the Circle's fall festival, dog shows, a flower show and, even, a play. Smith bears the cost of keeping the green in condition and

is now having the surrounding area mowed for the round-up pony rides.
