B'ham Youngsters Write Letters to Santa Claus

1st Graders Make Gift Wishes Known

According, to our reports, Santa Claus was really thrilled with this latest batch of jetters written by the first graders here in Birmingham, Santa and his helpers were amazed with the letters themselves and how neally they were printed. As Christmas Eve, the night of his departure from the As Christmas Eve, the night of his departure from the North Pole, draws closer, Santa is getting busier and busier by the minute. But he is sure that everything will be in order by the minute. But he is sure that everything will be in order by the minute. But he is sure that everything will be in order by the minute. But he is sure that everything will be in order by the minute. But he is sure that everything will be in order by the minute. But he is sure that everything will be in order by the minute. But he is sure that everything will be in order by the minute by the m
