

B'ham Teachers, Students Planning Holiday Vacations

To add to their holiday season this year several Birmingham teachers and students have planned vacations from northern Michigan to the sunny south.

Michigan vacationers include skiing enthusiasts Mary Michelson, Lois Vela, Mary Bachman, Alice Holmes and Roddy Brownfield who plan to stay at Higgin's lake.

Also planning skiing vacations in northern Michigan are Joan Polhemus and Jean Buetner who will stay at Oscego.

Other vacationers are Barbara

Walton and Howard Knorr, planning trips to Illinois.

OHIO IS THE DESTINATION of Nancy Walser, Martha Sharples and Jim Hogan. Nancy and Martha will stay a few days in Oberlin while Jim is planning to visit various Ohio colleges.

After visiting Bennington college in Vermont, Virginia Baker will stop in New York before returning home.

Mrs. Dorothy Acton, teacher, is also planning a trip to New York over the holidays.

Mary Ellen Budd will spend a few days in Canada.

For that sunny weather change Richard Betner and Ann Hammer have planned vacations down south. Richard and his family are going directly to New Orleans.

Crane Juniors Down Flint Tech

By BRUCE RICHARDS

Cranebrook's Junior Varsity team travelled with the Varsity to Flint last Saturday evening, where they triumphed 25-22.

The low score was caused by the low shooting average of both teams. Cranebrook had a chance early in the first quarter to take a good lead, but was unable to do so. The score was two up at the end of the first quarter.

During the rest of the half, the lead was traded several times—10-9 in favor of Cranebrook at the half. Flint managed to stay ahead from then until fairly late in the last quarter. Then Cranebrook, unleashing its power and scampering ahead in the last few minutes of the game, grabbed the lead and game.

The scoring for Flint Tech. was quite even—Williamson contributed the most with five points. Gary of Cranebrook scored 10 points for Cranebrook, taking the high point man position.

Ten Sign For College Entrance Examinations

To date ten Birmingham students have signed up for January college board examinations to be given at Kingswood School.

More are expected to sign up before the January 7 deadline.

Proscenium Players Seek Pioneer Rifles

Squads and braves of Proscenium are on the warpath for lack of genuine old frontiersmen rifles needed in "Daniel Boone" to be presented January 29 for the Children's Theatre.

Proscenium members are scouring around old attics with a gleam in their eyes. Since real frontiersmen rifles are scarce, B-B or wooden guns were suggested as substitutes.

Smile A Minute

Little granddaughter came from the henhouse, "Grandma," she explained, "there aren't any eggs but the seats were all taken."

The woman took a posed for a snapshot in front of the fallen pillars of an ancient temple in Greece. "Don't get the cat in the picture," she warned, "my husband will think I ran into the place."
