

We Want To Meet You This Week!

My Brother And I Would Like You To Help Us Launch Our New Packard Dealership

WONT YOU DROP IN Thursday, Friday or Saturday? We'll be open from 9 A.M. to 10 P.M. My brother Harold (that's him at the left) and I are going to have an old-fashioned open house. Nothing formal—just a good-neighbor gathering where you and your friends can sit down for a chat over a cup of coffee and a piece of cake.

• • One thing's certain—you're sure to want to come in and see the sensational new Balboa the Packard people have loaned us for our grand opening. It's that engineers' dream

car you've been reading about so much. There's only one of them, and it's not for sale, of course. But it's really something to see.

Free door prizes, too!

• • In addition, we have a lot of free door prizes. They include a 17-inch Emerson TV set, an Emerson Radio and an Emerson Clock Radio, plus a number of household appliances. Just register when you visit us and you become eligible. We're going to draw the lucky names at 8:30 o'clock Saturday night. It's not necessary to be there to win. We'll call you.

• • About the Packards, which you will see—Harold and I concluded sometime ago that Packard cars are the best automobiles on the streets today. We decided that we would like to represent this fine old company—where quality has been traditional so long—if we could get an agency in our home town—Birmingham. So, here we are.

• • We're looking forward to meeting you. Come in Thursday, Friday or Saturday from 9 A.M. to 10 P.M. and bring the wife and kids along.

Myron D. Martin

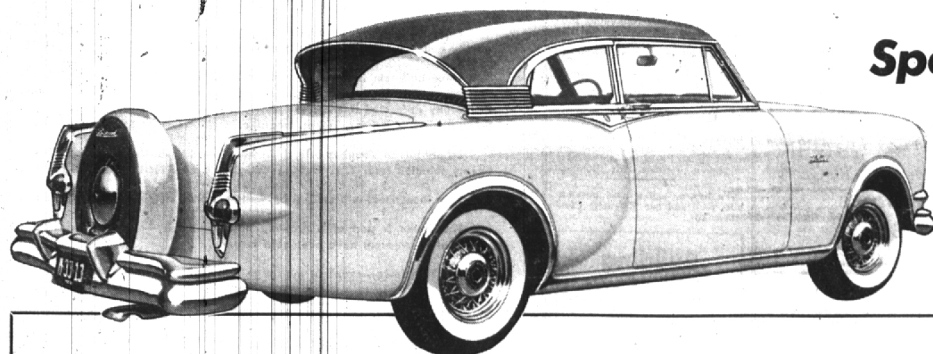

Harold And I Hope You'll Win One Of These FREE Door Prizes

• There's no work involved—just register your name when you visit us. We will draw the winning names at 8:30 p.m. Saturday. You don't have to attend the drawing—we will telephone the good news to the winners.

- 1st . . . 17-inch Emerson TV Receiver
- 2nd . . . Emerson Clock Radio
- 3rd . . . Emerson Radio

Others . . . A group of household appliances

• Register Thursday, Friday or Saturday—December 3rd, 4th or 5th—between 9 a.m. and 10 p.m. Thank you.
