

WE HEARD IT SAID BY— THE REV. ROBERT DEWEY, new minister at the Congregational Church of Birmingham: "Although I am not yet a resident of Birmingham, and will not be until about the first of the year, both Mrs. Dewey and myself are happy to be a splendid city and we have certainly met a wonderful group of people here."

Holiday Preparations Highlight Activities in Sixth Grade Classes

Excitement was everywhere last week at Vaughan Elementary School in anticipation of Thanksgiving Day. Bulletin boards were filled to overflowing with the fruits of individual and group efforts.

Our reporters found the Kindergarten making Pilgrim hats and collars. The First Grade have made a teepee large enough to play in. The Third Grade has a mural "The Landing of the Pilgrims."

The Fourth Grade read a book about the first Thanksgiving. They made a report, "Thanksgiving Yesterday and Today." The Fifth Grades produced a play "Colonial Days in Jamestown." It was written by Mary Elliott, Fay Hedrick, John Kasameyer and John Johnson.

The Sixth Grades had interesting Thanksgiving bulletin boards. One of the rooms has a musical cornucopia. Filled with musical things such as records, songs, and composers that have been enjoyed by the class this year.

Cub Scouts Seek Cotton Cloth For Cancer Dressings

Cub Scouts—some 25,000 of them in the metropolitan Detroit area—are rallying for their sixth annual drive for white cloth for the American Cancer Society's cancer dressings program.

The drive, which the Cubs call their annual good turn for the Cancer Society, has yielded enough white cotton cloth in the past five years to make approximately 2,000,000 cancer dressings for cancer sufferers in the area. This year's collection is scheduled for December 5 to 12.

Mrs. R. L. Stephenson of Lathrup Township, ACS-dressings chairman in South Oakland county, asked housewives to give their old, white, clean, cotton material, such as sheets, pillow slips, table cloths, napkins, towels, blouses, and dresses to Cubs who will be asking for them during the next weeks.

ONLY WHITE COTTON can be used for dressings. Silk or rayon fabrics are unsuitable because of their lack of absorbency.

Material should be placed in clean boxes, paper bags, or wrapped in clean paper. Men's white shirts should not be torn up since they can be made into short hospital gowns by ACS volunteers.

The Detroit Edison Company is again donating its branch offices as collection depots, as well as the Franklin Village Post Office and Pet's Market in Lathrup Village.

Smile A Minute

One senator had been making the rounds of his home territory to remind the voters that he's been doing a right fine job for them in Washington. Following a speech before a women's group, he was introduced to a new resident.

"Madam," he smiled, "I certainly hope this constituency will return me."

She shook her head. "I wish you luck, but from the short time I've been in this community I can assure you that these people never return anything!"

Smoke Report Due Soon

Within the next two weeks, city commissioners expect to have from City Building Inspector Jack Walker a report on smoke abatement progress, they indicated this week.

EXPERT INSTALLATION

WE HEARD IT SAID BY— THE REV. THEODORE WUGGAZER, minister at Redeemer Lutheran church: "We are moving home. After about twenty years in one place, my family has piled up quite a supply of items covering a wide range of usefulness and uselessness. Believe me, I never knew before how many things a person could save over a period of years and still have room in a home for everyday living!"
