

# THE 75th Anniversary of The Birmingham Eccentric

WILL BE CELEBRATED IN  
MAY OF THIS YEAR — 1953

It's time we let you know that in May of this year, The Eccentric will be seventy-five years old and will celebrate the occasion by issuing a history-packed edition of more than 100 magazine-tabloid pages.

Yes, every phase of community life in the Birmingham area will be given complete coverage. We're going way, way back into the early days of the city. We are going back to the origin and early activities of the churches, schools, organizations and governmental bodies. To tell the story of the community by word and picture is the aim of The Eccentric in its anniversary issue.

It's going to be the greatest edition in the history of your local newspaper. You'll want to make sure that you get a souvenir copy for each member of your family. Everyone that has ever lived in or about Birmingham will be interested in this historical epic on his hometown.

**You'll Be Hearing More About It  
In The Next Few Weeks—Watch For Details!**

MR. AND MRS. Robert Johns of Wolcott road flew to Honolulu recently for a two-week stay at the Surfrider Hotel. Accompanying them to the islands were Mr. and Mrs. Eric Wierke of Saginaw.

## Home Gardening Classes Planned For Mid-March

Plans for celebrating the Delta Gamma State Day on March 7 were formulated Saturday by Delta Gamma members at a luncheon meeting at the Kellogg Center on the Michigan State College campus, East Lansing.

All Delta Gamma alumnae groups are expected to be well-represented at the program which will begin at noon on March 7 at the MSC Union. The MSC's active chapter will hold open house following the program.

The main speaker for the occasion will be Mrs. L. Russell Williams, national president of Delta Gamma Society. Entertainment will be provided by the three active chapters in the state: University of Michigan, MSC, and Albion College.

THE EAST LANSING actives, under the leadership of president Virginia Egan, will present a Founder's Day ceremony marking the eightieth anniversary of Delta Gamma Alumnae who have been members for over fifty years will receive special recognition.

an feature of the instruction of home gardeners in the planning, planting and care of their property, with the selection of proper plant materials particularly emphasized. The course is open to all interested gardeners in the vicinity.

The purpose of this non-technical course is to provide a practical
